**PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On May 25, 2016**

---

This Proxy Statement is furnished in connection with the solicitation of proxies by PC Connection, Inc., a Delaware corporation, which we refer to as the Company, (or “we,” “us,” or “our”) by our Board of Directors, or the Board, for our 2016 Annual Meeting of Stockholders, or the Annual Meeting, to be held on Wednesday, May 25, 2016 at 10:00 a.m., Eastern time, at the Crowne Plaza Hotel, 2 Somerset Parkway (Exit 8 off the Everett Turnpike), Nashua, New Hampshire 03063 or any adjournment or adjournments of the Annual Meeting. You may obtain directions to the location of the meeting by contacting Investor Relations at 603-683-2505. All proxies will be voted in accordance with the stockholders’ instructions. If no choice is specified, the proxies will be voted in favor of the matters set forth in the accompanying Notice of Meeting. Any proxy may be revoked by a stockholder at any time before its exercise by delivery of a written revocation or a subsequently dated proxy to our secretary or by voting in person at the Annual Meeting.

**The Notice of Meeting, this Proxy Statement, the enclosed proxy, our Annual Report on Form 10-K for the year ended December 31, 2015 as filed with the Securities and Exchange Commission, or the SEC, and our Annual Report to Stockholders for the year ended December 31, 2015 are being mailed to stockholders on or about April 25, 2015.**

***Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on May 25, 2016:***

This proxy statement, form of proxy, and our 2015 Annual Report to Stockholders for the year ended December 31, 2015 are available at <http://ir.pcconnection.com/annuals.cfm>.

**Voting Securities and Votes Required**

On March 28, 2016, the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 26,500,940 shares of our common stock, \$.01 par value per share, or the Common Stock. Stockholders are entitled to one vote per share of Common Stock. Our stock record books will remain open for inspection by stockholders of record for ten days prior to the Annual Meeting at our offices at the above address and at the time and place of the Annual Meeting.

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting shall be necessary to constitute a quorum for the transaction of business. If a quorum is not present, the meeting will be adjourned until a quorum is obtained. Abstentions and broker non-votes (where a broker or nominee does not have discretionary authority to vote on a proposal) will be considered as present for purposes of determining whether a quorum is present.

If a quorum is present at the Annual Meeting, the vote required to adopt each of the scheduled proposals will be as follows:

*Election of Directors.* Under the Company’s by-laws, any election by stockholders shall be determined by a plurality of the votes cast on the election.

*Other Matters.* Under the Company's by-laws, the affirmative vote of the holders of a majority of the votes cast will be required for: approval of the advisory vote on executive compensation (Proposal 2); approval of the amendment to the Company's Amended and Restated 2007 Stock Incentive Plan, as amended (Proposal 3); and approval of the ratification of the selection of the independent registered public accounting firm (Proposal 4). Shares which abstain and broker non-votes will not be counted as votes in favor of, or with respect to, these proposals and will also not be counted as votes cast. Accordingly, abstentions and broker non-votes will have no effect on the outcome of these proposals. Proposal 2 is a non-binding proposal.

Persons who hold shares on the record date through a broker, bank, or other nominee are considered beneficial owners. Brokers holding shares must vote according to specific instructions they receive from the beneficial owners of those shares. If brokers do not receive specific instructions, brokers may in some cases vote the shares in their discretion. However, brokers holding shares in "street name" for their beneficial owners are prohibited from voting on behalf of the clients in director elections and certain other non-routine matters unless the brokers have received specific voting instructions from those clients. Accordingly, a broker cannot vote shares held on behalf of a beneficial owner on Proposals 1, 2, and 3, regarding the election of directors, the advisory vote on executive compensation, and the amendment to our stock plan, respectively, unless such broker has received specific voting instructions from the beneficial owner. However, a broker will have discretion to vote shares held on behalf of a beneficial owner on Proposal 4, the ratification of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2016, even if such broker has not received specific voting instructions from the beneficial owner. Shares that abstain from voting in a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Abstentions and "broker non-votes" will have no effect on the voting on matters, such as the ones presented for stockholder approval at this Annual Meeting, that require the affirmative vote of a certain percentage of the shares voting on the matter.

## **PROPOSAL ONE**

### **ELECTION OF DIRECTORS**

Directors are to be elected at the Annual Meeting. Our Board of Directors currently consists of six members and will, if all nominees are elected at the Annual Meeting, increase to seven members. Our Bylaws provide that our directors will be elected at each annual meeting of our stockholders to serve until the next annual meeting of stockholders or until their successors are duly elected and qualified.

The persons named in the enclosed proxy (Patricia Gallup and David Hall) will vote to elect the seven nominees named below as our directors unless authority to vote for the election of any or all of the nominees is withheld by marking the proxy to that effect. Each nominee, other than Mr. Ferguson, is presently serving as a director, and each nominee has consented to being named in this Proxy Statement and to serve, if elected. If for any reason any nominee should be unable to serve, the person acting under the proxy may vote the election of a substitute nominee designated by our Board of Directors. It is not presently expected that any of the nominees will be unavailable to serve.

**Our Board of Directors recommends a vote "FOR" the election of the nominees described below.**

Set forth below are the name, age, and length of service as a director for each nominee of our Board of Directors and the positions and offices held by him or her, his or her principal occupation and business experience for at least the past five years, and the names of other publicly-held companies of which he or she serves as a director or served as a director during the past five years. Information with respect to the number of shares of Common Stock beneficially owned by each director or nominee, directly or indirectly, as of March 14, 2016, appears under "Security Ownership of Certain Beneficial Owners and Management."

Since August 2002, Mr. Weatherson has pursued personal and community interests and served on an interim basis as Chief Executive Officer of GovConnection from November 2003 to May 2004. From June 2000 to July 2002, Mr. Weatherson served as Vice President of North American Operations and Strategy for Compaq Computer Corporation. From April 1994 to June 2000, Mr. Weatherson served as Vice President of Compaq's Government and Education business. Prior to joining Compaq, Mr. Weatherson was Chief Executive Officer of the Navy Exchange System, a retail services company operated by the U.S. Navy. He retired from the Navy as a Rear Admiral in 1993.

We believe that each of our nominees is qualified to serve as a director of the Company as a result of his or her level of business experience described in the individual biographies above. Each nominee has served in a broad range of senior management roles, and some have served on other boards of directors. The Board concluded that the depth of experience and the combination of the different backgrounds of each of our nominees facilitate the Company's goal of having a diversity of viewpoints and backgrounds on the Board, and gives the Company a broad range of experience on which to draw. Accordingly, the Board concluded that each of these individuals should serve as a director of the Company, in light of its business and structure, at the time of filing this proxy. In particular:

- Ms. Gallup is a co-founder of the Company and has served as an executive, director, or corporate officer of the Company for over 30 years and, as a result, has in-depth knowledge of the information technology (IT) industry and our business. She also has experience serving as a board member of other companies, both public and private.
- Mr. Hall is a co-founder of the Company and has served as an executive, director, or corporate officer of the Company for over 30 years and, as a result, has in-depth knowledge of the IT industry and our business.
- Mr. Baute has substantial experience as Chief Executive Officer of an industrial solutions provider. Combined with his board-level experience with several public and private companies, as well as the Federal Reserve, Mr. Baute brings to the Board a broad range of business, financial, and accounting knowledge and experience.
- Mr. Beffa-Negrini has served the Company in a variety of leadership roles and senior management positions, and has more than 25 years of experience in the IT industry. These qualifications provide the Board with insights into the organizational development of the Company, along with a broad knowledge base of the industry.

- Ms. Duckett has significant executive management and board-level experience with numerous organizations in the healthcare industry. Accordingly, Ms. Duckett brings to the Board strong business knowledge as well as insight into the growing healthcare industry, which is a sector the Company serves.
- Mr. Ferguson served the Company in a variety of financial executive positions for almost 20 years, and accordingly has in depth knowledge of the IT industry and our business.
- Mr. Weatherson has substantial business and financial knowledge and experience in the government arena, which is particularly useful to the Board in serving our Public Sector customer segment. Additionally, he has had executive experience with one of our major suppliers, giving him additional knowledge of the industry in which we operate.

No family relationship exists between any of our executive officers or directors.

## **INFORMATION CONCERNING DIRECTORS, NOMINEES, AND EXECUTIVE OFFICERS**

### **Board Meetings and Attendance**

Our Board of Directors met seven times during the year ended December 31, 2015, either in person or by teleconference. During 2015, each director attended at least 75% of the aggregate number of Board meetings and the number of meetings held by all committees on which he or she serves. Our Board of Directors does not currently have a policy with regard to the attendance of Board members at our annual meeting of stockholders.

### **Board Committees**

Our Board of Directors has established two standing committees—Audit and Compensation. The Audit and Compensation Committees each operate under written charters that have been approved by our Board of Directors. We included the charter of the Audit Committee as an appendix to our 2015 Proxy Statement and included the charter of the Compensation Committee as an appendix to our 2014 Proxy Statement. They can also be obtained by accessing the website maintained by the SEC at [www.sec.gov](http://www.sec.gov) or by contacting our investor relations department at PC Connection, Inc., 730 Milford Road, Merimack, New Hampshire 03054.

Our Board of Directors has determined that all of the members of our two standing committees are independent as defined under the rules of the Nasdaq Stock Market including, in the case of all members of the Audit Committee, the independence requirements set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

### ***Audit Committee***

The Audit Committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;
- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of certain reports and other communications required to be made by the independent registered public accounting firm;
- reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting, disclosure controls and procedures, and code of business conduct and ethics;

- discussing our risk assessment and risk management policies;
- establishing policies regarding hiring employees from the independent registered public accounting firm and procedures for the receipt and retention of accounting related complaints and concerns;
- meeting independently with our internal auditing staff, independent registered public accounting firm, and management;
- reviewing policies and procedures for reviewing and approving or ratifying related person transactions;
- reviewing and approving or ratifying any related person transactions; and
- preparing the audit committee report required by SEC rules (which is included on page 33 of this Proxy Statement).

The members of our Audit Committee are Ms. Duckett and Messrs. Baute and Weatherson. Our Board of Directors has determined that all three members qualify as an “audit committee financial expert” as defined by applicable SEC rules. The Audit Committee met six times during 2015.

#### ***Compensation Committee and Subcommittee***

The Compensation Committee’s responsibilities include:

- annually reviewing and approving corporate goals and objectives relevant to CEO compensation;
- reviewing and approving, or recommending for approval by the Board of Directors, our CEO’s compensation;
- reviewing and approving, or recommending for approval by the Board of Directors, the compensation of our other executive officers;
- overseeing evaluations of our senior executives;
- overseeing and administering our cash and equity incentive plans;
- reviewing and making recommendations to our Board of Directors with respect to incentive-compensation and equity-based plans;
- reviewing and making recommendations to our Board of Directors with respect to director compensation;
- reviewing and discussing annually with management our “Compensation Discussion and Analysis”;
- overseeing any compensation consultants, legal counsel or other advisors that it, in its sole discretion, retains or obtains advice from; and
- preparing the compensation committee report required by SEC rules (which is included on page 20 of this Proxy Statement).

The processes and procedures followed by our Compensation Committee in considering and determining executive and director compensation are described below under the heading “Executive and Director Compensation Processes.”

The Compensation Committee met two times in 2015. The members of the Compensation Committee are Ms. Duckett and Messrs. Baute and Weatherson. The Compensation Committee has established a subcommittee (which

we refer to as the 162(m) Subcommittee) and delegated to that subcommittee authority to issue equity awards and to determine other qualified performance-based compensation for our CEO and three other most highly compensated employees (other than the CEO and CFO) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act in accordance with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. The 162(m) Subcommittee is comprised of Mr. Baute and Ms. Duckett, who are “outside directors” under IRS regulations.

### **Controlled Company Status**

We are a “Controlled Company” as defined in Nasdaq Stock Market Rule 5615(c). Our Board of Directors has based this determination on the fact that approximately 56% of our voting stock is beneficially owned or controlled by Ms. Gallup and Mr. Hall.

We do not have a standing nominating committee, and the functions of evaluating and selecting directors have been performed by our Board of Directors as a whole. We believe that it is not necessary to have a nominating committee because our directors have generally served for extended terms. Our Board of Directors will from time to time evaluate biographical information and background material relating to and for the purpose of identifying potential candidates and interview selected candidates. Our Board of Directors does not currently have a charter or written policy with regard to the nomination process. We do not have a written policy due to the generally extended terms served by our directors.

### **Board Leadership Structure**

Ms. Gallup is the Chairman of our Board of Directors and Chief Administrative Officer of our Company. While the roles of Chief Executive Officer and Chairman are separate, our leadership structure does not include a lead independent director. In light of our controlled company status discussed above, we believe that the creation of a lead independent director position is not necessary at this time. Our Board of Directors has determined that having Ms. Gallup act as Chairman and as Chief Administrative Officer of our Company is in the best interests of the Company and our stockholders and is consistent with good corporate governance for the following reasons:

- our Chairman and Chief Administrative Officer is more familiar with our business and strategy than an independent, non-employee Chairman would be, and is thus better positioned to focus our Board’s agenda on the key issues facing our Company;
- our structure provides strong and consistent leadership for our Company, without risking overlap or conflict of roles; and
- oversight of our Company is the responsibility of our Board as a whole, and this responsibility can be properly discharged without an independent Chairman.

Our Board decided to separate the roles of Chairman and Chief Executive Officer because it believes that this leadership structure offers the following benefits:

- enhancing our Board’s objective evaluation of our Chief Executive Officer;
- freeing the Chief Executive Officer to focus on company operations instead of Board administration; and
- providing the Chief Executive Officer with an experienced sounding board.

### **Director Independence**

Under applicable NASDAQ rules, a director will only qualify as an “independent director” if, in the opinion of our Board of Directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board of Directors has determined that none of Ms.

Duckett or Messrs. Baute or Weatherson, who comprise our Audit and Compensation Committees, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Each of Messrs. Baute and Weatherson and Ms. Duckett is an “independent director” as defined under Nasdaq Stock Market Inc. Marketplace Rule 5605(a)(2). We are exempt from the requirement that our board have a majority of independent directors because we are a controlled company. Please see “Controlled Company Status” above for information on our controlled company status.

### **Executive and Director Compensation Processes**

Our Compensation Committee generally reviews employee performance and compensation on an annual basis. Our Compensation Committee also compares the salaries of our executive officers to salaries of individuals who hold comparable positions in our immediate peer group as appropriate. The Compensation Committee makes salary determinations based on a number of factors, including the level and breadth of each executive officer’s responsibilities and experience. Salary decisions are also made with a view to retaining our executive talent. The Compensation Committee may, in its discretion, invite the Chief Executive Officer to be present during the approval of, or deliberations with respect to, other executive officer compensation, and our Chief Executive Officer may make recommendations relating to the salaries of our other executive officers.

In 2008, our stockholders approved for our executive officers the original Executive Bonus Plan. In 2011, our shareholders approved the Amended and Restated Executive Bonus Plan, which was amended in 2013. Annual cash bonuses under our Executive Bonus Plan are based on the achievement of company-wide net income and expense leverage goals. Cash bonuses are set as a percentage of the executive officer’s base salary.

Our Compensation Committee administers our Amended and Restated 2007 Stock Incentive Plan, as amended, and our Amended and Restated 1997 Employee Stock Purchase Plan, as amended. To the extent permitted by applicable law, our Board of Directors or the Compensation Committee may delegate its authority to grant options and other awards that constitute rights under Delaware law to employees and non-executive officers under our Amended and Restated 2007 Stock Incentive Plan, as amended, to either a committee of our Board or to our Chief Executive Officer, provided that it will fix the terms of such awards to be granted (including the exercise price of such awards, which may include a formula by which the exercise price will be determined) and the maximum number of shares subject to awards that may be granted. The Board of Directors has delegated authority to a committee of the Board of Directors comprised of Ms. Gallup, to issue (i) stock options and (ii) certain other stock-based awards payable only in cash and without any rights to acquire common stock, which we refer to as stock equivalent units, to any employee who is not an executive officer or an “officer,” as defined by Rule 16a-1 of the Securities Exchange Act of 1934, as amended. This committee may grant up to an aggregate maximum of 350,000 shares of common stock subject to options, with no more than 20,000 shares of common stock subject to options permitted to be granted per individual per calendar year. It may also grant up to an aggregate maximum of 500,000 shares of stock equivalent units.

The Compensation Committee has the authority to retain compensation consultants and other outside advisors to assist in the evaluation of executive officer compensation. In 2015, our Compensation Committee retained Pearl Meyer & Partners, a national consulting firm, as its independent compensation consultant to conduct a competitive assessment of our executive compensation and general compensation programs. Pearl Meyer & Partners provided comparative market data on compensation practices and programs based on an analysis of ten peer companies deemed comparable in terms of product and service offerings and revenue levels. The Compensation Committee used the report to assist in the review of executive compensation.

### **Oversight of Risk**

Our Board of Directors oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The role of our Board of Directors and its committees is to oversee the risk management activities of management. They fulfill this duty by discussing with management the policies and practices utilized by management in assessing and managing risks and providing input on those policies and practices. In general, our Board of Directors oversees risk management activities relating to business strategy, capital allocation, organizational structure, and certain operational risks; our Audit Committee oversees risk

management activities related to financial controls and legal and compliance risks, and our Compensation Committee oversees risk management activities relating to the Company's compensation policies and practices. Each committee reports to the full Board on a regular basis, including reports with respect to the committee's risk oversight activities as appropriate. In addition, since risk issues often overlap, committees from time to time request that the full Board discuss particular risks.

#### **Director Candidates**

All of the current members of our Board of Directors have served as directors since 2001, except Mr. Weatherson and Ms. Duckett, who became directors in June 2005 and June 2009, respectively. Mr. Ferguson has not previously served on our Board of Directors. Where called for, qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. Minimum qualifications include high-level leadership experience in business activities, breadth of knowledge about issues affecting us, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. While we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, our Board of Directors desires a group of candidates who represent a diversity of viewpoints, backgrounds, skills, and expertise that enable them to make a significant contribution to our Board of Directors, our Company, and stockholders. In the event of a need for a new or additional director, our Board of Directors would evaluate potential nominees by reviewing their qualifications, results of personal and reference interviews, and such other information as the Board may deem relevant.

We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Our Board of Directors has generally nominated the current directors for re-election at each annual meeting of stockholders. Our Board of Directors has therefore not established special procedures for stockholders to submit director recommendations. If we were to receive recommendations of candidates from our stockholders, the Board of Directors would consider such recommendations in the same manner as all other candidates. Shareholders who wish to suggest qualified candidates should send relevant information to the attention of the Corporate Secretary, PC Connection, Inc., 730 Milford Road, Merrimack, New Hampshire 03054 (603-683-2505).

#### **Communicating with the Board of Directors**

We have not implemented a process for our stockholders to send communications to our Board of Directors, other than as set out elsewhere in this proxy. We have not done so primarily due to our status as a controlled company, as discussed earlier.

#### **Code of Business Conduct and Ethics Policy**

We have adopted a written Code of Business Conduct and Ethics Policy, which we refer to as the Policy, that applies to our directors, officers, and employees, including our principal executive officer, principal financial and accounting officer, controller, and persons performing similar functions. We have posted our Policy on our website at <http://ir.pcconnection.com>. In addition, we intend to post on our website all disclosures that are required by law or Nasdaq Stock Market listing standards concerning any amendments to, or waivers from, any provision of the Policy that occur in the future.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act requires our directors, executive officers, and holders of more than 10% of our Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock. Based solely on our review of copies of reports filed by individuals required to make filings, or Reporting Persons, pursuant to Section 16(a) of the Exchange Act or written representations from certain Reporting Persons, we believe that all such reports required to be filed under Section 16(a) of the Exchange Act for 2015 were timely filed, except:

On August 5, 2015, David Hall gifted 5,000 shares of Common Stock to an affiliated charity and should have filed a Form 4 on or before August 7, 2015. Mr. Hall reported this transaction on a Form 4 filed with the SEC on August 11, 2015.

On August 10, 2015, David Hall sold 3,125 shares of Common Stock and should have filed a Form 4 on or before August 12, 2015. Mr. Hall reported this transaction on a Form 4 filed with the SEC on August 13, 2015.

On November 12, 2015, the six members of our Board each received 2,000 shares of Common Stock as a result of the vesting of restricted stock units granted in November 2012, and should have filed a Form 4 on or about November 16, 2015. Each director reported this transaction on a Form 4 filed with the SEC on April 4, 2016.

### Director Compensation

Each director is entitled to receive an annual retainer of \$75,000, payable quarterly, for service on the Board. Each independent director also receives an annual retainer of \$15,000, payable quarterly, for participation in the Board's audit and compensation committees. In addition, Board members who act in a chairman capacity receive annual fees as follows: Board chair, \$35,000; Board vice-chair, \$10,000; audit committee chair, \$10,000; compensation committee and sub-committee chair, \$5,000.

### EXECUTIVE COMPENSATION

#### Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors oversees the design and implementation of our executive compensation program. In this role, the Compensation Committee, which is comprised of three independent directors, evaluates the performance of, and reviews and approves annually all compensation decisions relating to our Chief Executive Officer. Our Chief Executive Officer annually reviews the performance of our other named executive officers and makes recommendations regarding their compensation. Our Compensation Committee may adopt or revise such recommendations in making compensation decisions for our other named executive officers. The Compensation Committee has established a subcommittee, or the 162(m) Subcommittee, comprised of two of these independent directors, and delegated to the 162(m) Subcommittee authority to issue equity awards and to determine other qualified performance-based compensation for our Chief Executive Officer and three other most highly compensated employees (other than the Chief Financial Officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act in accordance with the requirements of Section 162(m) of the Code.

Our named executive officers consist of our Chief Executive Officer, Chief Financial Officer, and Chief Administrative Officer. For 2015, our Named Executive Officers were:

<u>Name</u>	<u>Title</u>
Timothy McGrath	President and Chief Executive Officer
Joseph Driscoll	Senior Vice President, Treasurer and Chief Financial Officer
Patricia Gallup	Chairman and Chief Administrative Officer

### ***Compensation Objectives***

Our Compensation Committee's primary objectives with respect to executive compensation are to attract, retain, and motivate our executives and to create long-term stockholder value. Additionally, the Committee seeks to ensure that executive compensation is aligned with our corporate strategies and business objectives, and that it promotes the achievement of key strategic and financial performance measures by linking short- and long-term cash and equity incentives to the achievement of measurable company performance goals.

To achieve these objectives, the Compensation Committee evaluates our executive compensation program with the goal of setting compensation at levels the Compensation Committee believes are competitive with those of other companies in our industry and our region that compete with us for executive talent. In addition, our executive compensation program ties a substantial portion of each executive's overall compensation to managing their respective areas of responsibility and meeting key strategic, financial, and operational goals. These goals include success in (a) demonstrated leadership ability, (b) management development, (c) compliance with our policies, and (d) anticipation of, and response to, changing market and economic conditions that enhance our ability to operate profitably. From time to time, we also provide a portion of our executive compensation in the form of stock options, restricted stock awards, restricted stock units, and other stock-based awards that vest over time, which we believe helps to attract new management talent, as well as retain our existing executives. We believe such grants align our executives' interests with those of our stockholders by allowing them to participate in the longer-term success of our Company as reflected in stock price appreciation.

We compete with many other companies for executive personnel. Accordingly, the Compensation Committee generally targets overall base salary and bonus compensation for executives at or near the midpoint of compensation paid to similarly situated executives of companies analyzed in our survey data, described more fully below. We may vary this general target in certain situations when necessary, due to the experience level of the individual or other market factors.

### ***Components of our Executive Compensation Program***

The primary elements of our executive compensation program are:

- base salary;
- executive bonus plan;
- equity awards;
- benefits and other compensation; and
- severance benefits.

Allocations between long-term and short-term compensation, cash and non-cash compensation, or the different forms of non-cash compensation vary, depending on our current initiatives and stated goals. Our goals for 2015 were focused on continuing the growth trend in consolidated net sales and net income that we established in prior years and, additionally, achieving a better leveraging of our expense structure by attaining our targeted selling, general and administrative, or SG&A, expenses as a percentage of net sales. Accordingly, the 2015 performance targets for the

Executive Bonus Plan were designed to help achieve these two objectives. A total of 60% of the bonus was allocated to the achievement of a net income target of \$44.1 million, and 40% was allocated to achievement of an SG&A expense target of 10.48% of net sales. Each component was then applied to a multiplier based on the degree to which the respective target was met or exceeded, ranging from 0.5 to 1.7 for each target. No bonuses were to be paid for performance below \$39.9 million of net income or SG&A expenses in excess of 11.51% of net sales.

In 2015 our Compensation Committee retained Pearl Meyer & Partners, a national consulting firm, as its independent compensation consultant to conduct a competitive assessment of our executive compensation and general compensation programs. Pearl Meyer & Partners provided comparative market data on compensation practices and programs based on an analysis of ten peer companies deemed comparable in terms of product and service offerings and revenue levels. Individual compensation ranges for each executive position were provided that compared the compensation ranges to actual salary levels.

The peer group updated for our Compensation Committee in 2015 was used to benchmark executive compensation levels against companies that have executive positions with responsibilities similar in breadth and scope to ours and that compete with us for executive talent. The following companies, whose executive positions' responsibilities were most similar to ours, were included in the peer group for 2015:

- Anixter International Inc.
- CDW Corporation
- Datalink Corp.
- ePlus Inc.
- Insight Enterprises, Inc.
- Netgear Inc.
- PCM, Inc.
- Performance Sports Group Ltd.
- Scansource Inc.
- Systemax Inc.

The Compensation Committee used the updated survey data to assist it in the review and comparison of each element of executive compensation, including base salary and bonus compensation for our executives. With this information, the Compensation Committee analyzed compensation for each executive. The Compensation Committee targeted different compensation levels for each element of compensation as described below.

#### ***Base Salary***

Base salaries are reviewed at least annually by the Compensation Committee, and in the case of named executive officers other than our Chief Executive Officer, are based on recommendations of the Chief Executive Officer. These salaries are adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance, experience, and the peer group data.

The Compensation Committee reviews the base salaries of our executives initially by reference to the median base salary level of the updated survey data. The Compensation Committee then makes adjustments to these reference levels for each executive's base salary based on comparisons to the survey data and evaluation of the executive's level of responsibility and experience, as well as company-wide performance. The Compensation Committee also considers the executive's success in achieving business results and demonstrating leadership in determining actual base salary levels.

In 2015, the base salary of our Chief Financial Officer was increased by the Compensation Committee as a result of its review and analysis of competitive data, as well as a review of the extent of his individual responsibilities. In 2015, we increased the base salary of Mr. Driscoll by 5.0% to \$357,000. There was no change in the base salary of our Chief Executive Officer or Chief Administrative Officer.

The compensation levels of our executives are established to recognize the relative level of responsibility of each executive. Our Chief Executive Officer's compensation is higher than the levels of our other executives in order to

reflect the generally broader and more significant level of responsibility of our Chief Executive Officer. We have found that compensation survey results generally reflect this pattern for most companies.

The Compensation Committee believes that benchmarking and aligning base salaries is especially critical to a competitive compensation program. Other elements of compensation are affected by changes in base salary. Annual incentives are targeted and paid out as a percentage of base salary, and the target levels of long-term incentives are also determined as a percentage of base salary.

#### ***Executive Bonus Plan***

In 2008, our shareholders approved the original Executive Bonus Plan for our executive officers. In 2011, our shareholders approved the Amended and Restated Executive Bonus Plan, and in 2013, our shareholders approved an amendment to the Amended and Restated Executive Bonus Plan. Annual cash bonuses are intended to compensate our executives for the achievement of company-wide net income and expense leverage goals. Cash bonuses are set as a percentage of the executive officer's base salary, with higher-ranked executives typically being compensated at a higher percentage of base salary. However, our success is dependent on the ability of our management group to integrate and work together to meet common company-wide goals. Accordingly, executives are not assigned specific individual goals but instead are collectively responsible for meeting company-wide goals. Our Compensation Committee develops corporate goals that, if achieved, will result in improved operating performance. In 2015, our target bonus percentages were 100% of base salary for our Chief Executive Officer and Chief Financial Officer, and 75% for our Chief Administrative Officer. In addition, our compensation program also provides incentives for our executives to reach beyond our target corporate goals. If our executives perform above expectations, they may be entitled to receive additional bonus amounts that can result in a total annual bonus of up to 170% of base salary for our Chief Executive Officer and Chief Financial Officer, and up to a proposed 127.5% of base salary for the Chief Administrative Officer. Proportionally lower bonuses are provided for achievement levels between 90% and 100% of respective company-wide targets, and no bonuses are earned by any executive where less than 90% of the respective company-wide target factor is achieved. Our Compensation Committee approved a consolidated net income goal of \$44.1 million for 2015, reflecting our growth target for the year and an expense leverage goal to limit 2015 consolidated SG&A expenses as a percentage of net sales at 10.48%. The Executive Bonus Plan provides that the two targets be increased or decreased to reflect material changes in revenue growth rates for the IT markets in which the Company competes. This potential adjustment is based on the belief that management should neither receive a windfall from higher-than-expected IT industry growth nor be penalized for lower-than-expected growth. The Company employs an assessment of IT industry revenue growth prepared quarterly by International Data Corporation, or IDC, a global provider of market intelligence for technology markets. In 2015, the IDC assessment found that the IT industry grew at higher-than-expected growth. Accordingly the net income target was increased by \$0.3 million to \$44.4 million and the SG&A target was decreased from 10.48% to 10.46%.

Our executive officers work together as a team and all executives are assigned the same company-wide net income and expense leverage goals. In 2015, our net income was \$46.8 million and SG&A expense as a percentage of net sales was 10.20%. Performance by the Company against its adjusted net income target was exceeded by 6%, and performance against the adjusted SG&A target was exceeded by 3%, resulting in an overall payout at 106% of the combined targets. Accordingly, total bonus payouts for the named executive officers aggregated \$1.6 million.

The table below describes the bonus payments and the percentage of base salary for 2015 for the named executive officers:

<b>Name of Executive</b>	<b>2015 Bonus Payment</b>	<b>Percentage of Base Salary</b>
Timothy McGrath	\$ 954,000	106.0 %
Joseph Driscoll	\$ 378,420	106.0 %
Patricia Gallup	\$ 259,965	79.5 %

### ***Equity Awards***

Our equity award program is a vehicle for offering long-term incentives to our executives. We believe that equity grants help attract management talent and provide a strong link to our long-term performance and help to align the interests of our executives and our stockholders. In addition, the vesting feature of our equity grants furthers our goal of executive retention by providing an incentive to our executives to remain in our employ during the vesting period. In determining the size of equity grants to our executives, the Compensation Committee and the Chief Executive Officer consider comparative share ownership of executives in our compensation peer group, our company-wide performance, the applicable executive's performance, the amount of equity previously awarded to the executive, the vesting of such awards, and the recommendation of management. In 2012, our Board of Directors delegated to Patricia Gallup as a committee of the Board the authority to grant stock options and stock equivalent units, or SEUs, to non-executive officers of up to 20,000 shares per individual per calendar year; provided that no more than 350,000 shares of options and 350,000 shares of SEUs may be granted in the aggregate. In addition, the delegation limits the vesting of the SEUs to a period of no less than four years and requires the exercise price for options to be equal to the closing stock price of our common stock on the Nasdaq Stock Market on the date of the grant. In September 2015, our Board of Directors increased the number of SEUs that may be granted in the aggregate to 500,000 shares.

Our equity awards have typically taken the form of stock options and restricted stock units, or RSUs. The Compensation Committee and our Chief Executive Officer review all components of the executive's compensation when determining equity awards to ensure that an executive's total compensation conforms to our overall philosophy and objectives.

Stock Options have a ten-year life, and vesting and exercise rights cease shortly after termination of employment except in the case of death or disability. We do not have any equity ownership guidelines for our executives.

### ***Benefits and Other Compensation***

We maintain broad-based benefits that are provided to all employees, including health and dental insurance, life and disability insurance, and a 401(k) plan. Executives are eligible to participate in all of our employee benefit plans, in each case on the same basis as other employees. We provide a matching contribution equal to 25% of the employee's deferral contributions to the 401(k) plan that does not exceed 6% of their qualified compensation.

No executive officer received perquisites aggregating \$10,000 or more in 2015.

### ***Severance Benefits***

Pursuant to the employment agreement we have entered into with Mr. McGrath and the offer letter signed by Mr. Driscoll, each executive is entitled to specified benefits in the event of termination of their employment under specified circumstances. We have provided more detailed information about these benefits, along with estimates of their value under various circumstances, under the caption "Potential Payments Upon Termination or Change in Control" below.

We believe providing these benefits help us compete for executive talent. After reviewing the practices of companies represented in our 2015 peer group, we believe that our severance and change of control benefits are generally in line with severance packages offered to executives at such companies.

### ***Tax and Accounting Considerations***

Section 162(m) of the Code generally disallows a tax deduction for compensation in excess of \$1.0 million paid to our Chief Executive Officer and the three other officers (other than the Chief Financial Officer) whose compensation is required to be disclosed to our stockholders under the Exchange Act by reason of being among our three other most highly compensated officers. Qualifying performance-based compensation is not subject to the deduction limitation if specified requirements are met. We periodically review the potential consequences of Section 162(m), and we intend to structure the performance-based portion of our executive compensation, where feasible, to comply with exemptions in Section 162(m) so that the compensation remains tax deductible to us. However, the Compensation Committee may, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

We account for equity compensation awarded to our employees per the methods prescribed by ASC 718, which require us to recognize compensation expense in our financial statements for all share-based payments based upon an estimate of their fair value over the service period of the award. We record cash compensation as an expense at the time the obligation is accrued. Given our adoption of ASC 718, we believe that the accounting impact of the different forms of equity compensation awards generally reflects their economic impact. Accordingly, the underlying accounting treatment is not a material consideration in determining the specific nature or size of equity awards granted. The tax impact of the awards on the recipient and the effectiveness of the award in retaining executives are more relevant considerations.

### **Potential Payments Upon Termination or Change in Control**

We have entered into an employment agreement with Mr. McGrath and have a signed offer letter from Mr. Driscoll, providing for severance payments for twelve months, or until such time as other employment is secured (whichever is earlier), of their then respective annual base salary if employment is terminated for any reason other than for cause, death, or disability as such terms are defined in their respective agreements. Under such circumstances, severance payments for Messrs. McGrath and Driscoll would have an aggregate value of \$900,000 and \$357,000, respectively. Such payments are conditioned upon our receipt of a general release of claims from Messrs. McGrath and Driscoll. The agreements include certain non-compete and non-solicit obligations that extend for twenty-four and eighteen months, respectively, after termination of employment. We assume, for the purpose of calculating values for all termination events, that the effective date of termination is December 31, 2015.

In the event that we undergo a change in control (referred to as an "Acquisition Event" in the Amended and Restated 1997 Stock Incentive Plan and a "Reorganization Event" in the Amended and Restated 2007 Stock Incentive Plan, as amended) and as a result our Board of Directors accelerates the vesting of all outstanding unvested equity awards, Mr. McGrath, Mr. Driscoll, and Ms. Gallup would realize \$6,905,200, \$1,086,720, and \$113,200, respectively, based on the closing price of our Common Stock on December 31, 2015 of \$22.64 per share, assuming the vesting and sale by each of their unvested equity awards presented above.

### **Compensation Committee Report**

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with our management. Based on this review and discussion, the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

By the Compensation Committee of the Board of Directors of PC Connection:

Barbara Duckett, Chairman  
Joseph Baute  
Donald Weatherson

### **Compensation Committee Interlocks and Insider Participation**

The members of the Compensation Committee are Ms. Duckett and Messrs. Baute and Weatherson. Ms. Duckett, Mr. Baute, and Mr. Weatherson were not at any time during 2015 an officer or employee of the Company or any of our subsidiaries. Mr. Weatherson was formerly an officer of the Company from November 2003 to May 2004. None of our executive officers has served as a director or member of the Compensation Committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as our director or a member of our Compensation Committee.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

We currently have leases for facilities in Marlow and Merrimack, New Hampshire and two facilities in Keene, New Hampshire with Gallup & Hall, or G&H, a partnership owned solely by Patricia Gallup and David Hall, our principal stockholders. The three facilities located in Marlow and Keene, New Hampshire are leased on a month-to-month basis requiring monthly rental payments of \$500, \$1,344, and \$11,773, respectively. These leases also obligate us to pay certain real estate taxes and insurance premiums on the premises. Rent expense under the three leases aggregated \$163,404 for each of the years ended December 31, 2015 and 2014.

In November 1997, we entered into a fifteen-year lease for an 114,000 square foot corporate headquarters in Merrimack, New Hampshire with G&H Post, LLC, an entity owned solely by Patricia Gallup and David Hall, our principal stockholders. The initial term of the fifteen-year lease ended in November 2013, and we amended the lease in May 2014 to extend the term for an additional five years. The lease requires an annual rental payment of \$1,253,208 and provides us the option to renew for an additional five-year term. The lease requires us to pay our proportionate share of real estate taxes and common area maintenance charges as either additional rent or directly to third-party providers and also to pay insurance premiums for the leased property.

In August 2008, we entered into a ten-year lease agreement with Patricia Gallup and David Hall, our principal stockholders, for an office facility adjacent to our corporate headquarters. The lease requires an annual rental payment of \$247,884 in year seven of the lease and provides us the option to renew for two additional two-year terms. The rent for subsequent years shall be subject to adjustment to reflect increases in a local consumer price index, but such adjustments shall not exceed an increase of 5.0% per year. The lease requires us to pay our proportionate share of real estate taxes and common area maintenance charges either as additional rent or directly to third-party providers and to pay insurance premiums for the leased property. Rent payments under the lease agreement were \$246,846 and \$241,711 for the years ended December 31, 2015 and 2014, respectively.

During 2015, we provided various facilities management, maintenance, financial, tax, and legal services to certain affiliates of Patricia Gallup and David Hall in connection with the operation of facilities leased by us from those affiliates. G&H reimbursed us \$175,159 and \$118,073 during 2015 and 2014, respectively, for those services.

#### *The 1998 PC Connection Voting Trust*

In connection with our initial public offering in March 1998, Patricia Gallup and David Hall placed substantially all of the shares of Common Stock that they beneficially owned immediately prior to the public offering into a Voting Trust, or the "Voting Trust", of which they serve as co-trustees. The Voting Trust is the record holder of 14,238,188 shares of Common Stock as of the record date, March 28, 2016. The terms of the Voting Trust require that both Ms. Gallup and Mr. Hall, as co-trustees, agree as to the manner of voting the shares of our Common Stock held by the Voting Trust in order for the shares to be voted. In the event the co-trustees are deadlocked with respect to the election of directors at a meeting of stockholders, our Board of Directors may require the co-trustees to execute and deliver to our Secretary a proxy representing all shares issued and outstanding in the name of the Voting Trust and entitled to vote in the election of directors. Such proxy shall confer upon the proxyholder authority to attend the meeting for purposes of establishing a quorum and to vote for the directors nominated by our Board of Directors, provided that such nominees are incumbent directors elected with the consent of the co-trustees. Each of Ms. Gallup and Mr. Hall may transfer shares of Common Stock for value to unaffiliated third parties. Any shares so transferred will no longer be subject to the Voting Trust and an equal number of the non-transferring co-trustee's shares will be released from the Voting Trust. Transfers by either of Ms. Gallup or Mr. Hall in excess of 75,000 shares in any 90-day period, or that would decrease the shares held by the Voting Trust to less than a majority of the outstanding shares, will be subject to a right of first refusal to the other. The Voting Trust will terminate when it holds less than 10% of the outstanding shares of our Common Stock or at the death of both co-trustees. In addition, in the event of the death or incapacity of either co-trustee, or when either of Ms. Gallup or Mr. Hall holds less than 25% of the beneficial interest held by the other in the Voting Trust, the other will become the sole trustee of the Voting Trust with the right to vote all the shares held by the Voting Trust.

All related party transactions discussed above and referenced in this proxy statement were on terms comparable to those we could have obtained in arms-length transactions with unaffiliated third parties.

#### **POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS**

Our Board of Directors has adopted written policies and procedures for the review of any transaction, arrangement, or relationship in which we are a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees, or 5% stockholders (or their immediate family members), each of whom we refer to as a "related person," has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement, or relationship, which we refer to as a “related person transaction,” the related person must report the proposed related person transaction to our Chief Financial Officer. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by our Audit Committee. Whenever practicable, the reporting, review, and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the chairman of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between committee meetings, subject to ratification by the Audit Committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person’s interest in the transaction. As appropriate for the circumstances, the Audit Committee will review and consider:

- the related person’s interest in the related person transaction;
- the approximate dollar value of the amount involved in the related person transaction;
- the approximate dollar value of the amount of the related person’s interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the transaction; and
- any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is not inconsistent with our best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC’s related person transaction disclosure rule, our Board of Directors has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

- interests arising solely from the related person’s position as an executive officer of another entity (whether or not the person is also a director of such entity), that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, (c) the amount involved in the transaction equals less than the greater of \$200,000 or 5% of the annual gross revenues of the Company receiving payment under the transaction; and
- a transaction that is specifically contemplated by provisions of our charter or bylaws.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the Audit Committee in the manner specified in its charter.

## PROPOSAL TWO

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of the executive officers named in the Summary Compensation Table under the heading “Executive Compensation,” who we refer to as our named executive officers, as disclosed in this proxy statement in accordance with the SEC’s rules. This proposal, which is commonly referred to as “say-on-pay,” is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act. We provide our stockholders the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers every three years.

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of our near-term and longer-term financial and strategic goals and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our stockholders.

The “Executive Compensation” section of this proxy statement beginning on page 11, including “Compensation Discussion and Analysis,” describes in detail our executive compensation programs and the decisions made by the Compensation Committee and the Board of Directors with respect to the fiscal year ended December 31, 2015.

Our Board of Directors is asking stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables, and any related material disclosed in this proxy statement, is hereby approved.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote does not overrule any decision by the Company or the Board of Directors (or any committee thereof), create or imply any change to the fiduciary duties of the Company or the Board of Directors (or any committee thereof), or create or imply any additional fiduciary duties for the Company or the Board of Directors (or any committee thereof). However, our Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

**Our Board of Directors recommends a vote “FOR” the approval of the compensation of our named executive officers by voting “FOR” Proposal TWO.**

### PROPOSAL THREE

#### APPROVAL OF AMENDMENT TO AMENDED AND RESTATED 2007 STOCK INCENTIVE PLAN

Equity awards are the principal vehicle used by the Company for the payment of long-term compensation, to provide a stock-based incentive to improve the Company’s financial performance and to assist in the recruitment, retention, and motivation of professional, managerial, and other personnel. Accordingly in 2007, the Company adopted the 2007 Stock Incentive Plan, which plan has been periodically amended with stockholder consent and is now referred to as the A&R 2007 Plan. On March 2, 2016, the Board of Directors adopted Amendment No. 5 to the A&R 2007 Plan, subject to stockholder approval, to amend the A&R 2007 Plan further to increase the number of shares reserved for issuance under the plan from 1,600,000 to 1,700,000. As of March 24, 2016, there were 38,000 shares available for future grant under the A&R 2007 Plan.

**Our Board of Directors believes that the approval of Amendment No. 5 to the A&R 2007 Plan is in the best interests of the Company and its stockholders and recommends a vote “FOR” the approval of this proposal and the reservation of 100,000 shares of Common Stock for issuance thereunder by voting “FOR” Proposal THREE.**  
**Summary of the A&R 2007 Plan**

The following summary is qualified in its entirety by reference to the A&R 2007 Plan, Amendment No. 1 to the A&R 2007 Plan, Amendment No. 2 to the A&R 2007 Plan, Amendment No. 3 to the A&R 2007 Plan, Amendment No. 4 to the A&R 2007 Plan, and Amendment No. 5 to the A&R 2007 Plan, which are attached as Appendix A to this Proxy Statement.

#### *Number of Shares Available for Awards*

The number of shares of our common stock reserved for issuance under the A&R 2007 Plan is 1,700,000 shares. This number is subject to adjustment in the event of stock splits and other similar events. Shares issued under the A&R 2007 Plan may be authorized and unissued shares, or may be issued from shares that we have reacquired. Shares covered by awards under the A&R 2007 Plan that are terminated, forfeited, cancelled, or otherwise expire without having been fully exercised or settled (including as a result of shares being repurchased by us pursuant to a contractual repurchase right), will be credited back to the pool and will become available for issuance pursuant to a new award. Shares that are delivered to pay the exercise price of an award are also available for issuance pursuant to new awards, subject, in the case of incentive stock options, to any applicable limitation imposed by the Code.

#### *Types of Awards*

The A&R 2007 Plan provides for the grant of incentive stock options intended to qualify under Section 422 of the Code, which we refer to as the Code, nonstatutory stock options, stock appreciation rights, restricted stock, restricted stock units, and other stock-based awards as described below, which we collectively refer to as Awards.

#### *Incentive Stock Options and Nonstatutory Stock Options*

Optionees receive the right to purchase a specified number of shares of Common Stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options must be granted at an exercise price which is equal to or greater than the fair market value of the Common Stock on the date of grant. Under present law, incentive stock options and options intended to qualify as performance-based compensation under Section 162(m) of the Code may not be granted at an exercise price less than 100% of the fair market value of the Common Stock on the date of grant (or less than 110% of the fair market value in the case of incentive stock options granted to optionees holding more than 10% of our voting power). Options may not be granted for a term in excess of ten years (five years in the case of incentive stock options granted to optionees holding more than 10% of our voting power.) The A&R 2007 Plan permits the following forms of payment of the exercise price of options: (i) payment by cash, check, or in connection with a “cashless exercise” through a broker, (ii) subject to certain conditions, delivery to us of shares of Common Stock, (iii) subject to certain conditions, any other lawful means approved by our Board of Directors, or (iv) any combination of these forms of payment.

Unless such action is approved by our stockholders: (i) no outstanding option granted under the A&R 2007 Plan may be amended to provide an exercise price per share that is lower than the then-current exercise price per share of such outstanding option (other than certain adjustments pursuant to a reorganization event or a change in capitalization) and (ii) the Board of Directors may not cancel any outstanding option (whether or not granted under the A&R 2007 Plan) and grant in substitution therefore new Awards under the A&R 2007 Plan covering the same or a different number of shares of Common Stock and having an exercise price per share lower than the then-current exercise price per share of the cancelled option.

### *Stock Appreciation Rights*

A stock appreciation right, or SAR, is an award entitling the holder, upon exercise, to receive an amount in Common Stock determined by reference to appreciation, from and after the date of grant, in the fair market value of a share of Common Stock. SARs may be granted independently or in tandem with an option. The grant price or exercise price of SARs may not be less than 100% of the fair market value of the common stock on the date of grant. The term of SARs may be no more than 10 years from the date of grant.

### *Restricted Stock*

Awards of Restricted Stock Awards entitle recipients to acquire shares of Common Stock, subject to our right to repurchase all or a portion of such shares (or to require forfeiture if issued at no cost) from the recipient in the event that the conditions specified in the applicable Award are not satisfied prior to the end of the applicable restriction period established for such Award. Unless otherwise provided by our Board of Directors, recipients will be entitled to all ordinary cash dividends paid with respect to such shares. If any dividends or distributions are paid in shares or consist of a dividend or distribution other than an ordinary cash dividend, the shares, cash, or other property received will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid.

### *Restricted Stock Units*

Awards of Restricted Stock Units entitle the recipient to receive shares of Common Stock to be delivered at the time such shares vest pursuant to the terms and conditions established by our Board of Directors. Restricted Stock and Restricted Stock Unit Awards are collectively referred to herein as Restricted Stock Awards. Our Board of Directors may provide recipients with the right to receive an amount equal to any dividends or other distributions declared and paid on an equal number of outstanding shares of Common Stock, which we call dividend equivalents. The dividend equivalents may be paid currently or credited to an account for the recipients, may be settled in cash and/or shares of Common Stock, and may be subject to the same restrictions on transfer and forfeitability as the Restricted Stock Units with respect to which they are paid, as determined by the Board of Directors in its sole discretion, subject in each case to such terms and conditions as the Board shall establish, in each case to be set forth in the applicable Award agreement.

### *Other Stock-Based Awards*

Under the A&R 2007 Plan, our Board of Directors has the right to grant other Awards based upon our Common Stock or other property having such terms and conditions as our Board of Directors may determine, including the grant of shares based upon certain conditions, the grant of Awards that are valued in whole or in part by reference to, or otherwise based on, shares of Common Stock, and the grant of Awards entitling recipients to receive shares of Common Stock to be delivered in the future. Other Stock-Based Awards may be paid in Common Stock or cash.

### *Performance Conditions*

The 162(m) Subcommittee may determine, at the time of grant, that a Restricted Stock Award, Restricted Stock Unit Award, or Other Stock-Based Award granted to an officer will vest subject to the achievement of one or more objective performance measures, which shall be based on the relative or absolute attainment of specified levels of one or any combination of the following: (a) net income; (b) earnings before or after discontinued operations, interest, taxes, depreciation and/or amortization; (c) operating profit before or after discontinued operations and/or taxes; (d) sales; (e) sales growth; (f) earnings growth; (g) cash flow or cash position; (h) gross margins; (i) stock price; (j) market share; (k) return on sales, assets, equity, or investment; (l) improvement of financial ratings; (m) achievement of balance sheet or income statement objectives; or (n) total shareholder return. These performance measures may be absolute in their terms or measured against or in relationship to other companies comparably, similarly, or otherwise situated. Such performance measures may be adjusted to exclude any one or more of (i) extraordinary items, (ii) gains or losses on the dispositions of discontinued operations, (iii) the cumulative effects of changes in accounting principles, (iv) the write-down of any asset, and (v) charges for restructuring and rationalization programs. Such performance measures: (i) may vary by participant and may be different for different Awards; (ii) may be particular to a participant or the department,

branch, line of business, subsidiary, or other unit in which the participant works and may cover such period as may be specified by the 162(m) Subcommittee; and (iii) will be set by the 162(m) Subcommittee within the time period prescribed by, and will otherwise comply with the requirements of, Section 162(m).

#### Transferability of Awards

Except as our Board of Directors may otherwise determine or provide in an Award, Awards may not be sold, assigned, transferred, pledged, or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an incentive stock option, pursuant to a qualified domestic relations order. During the life of the participant, Awards are exercisable only by the participant.

#### Eligibility to Receive Awards

Our employees, officers, directors, consultants, and advisors, including those of our subsidiaries, are eligible to be granted Awards under the A&R 2007 Plan. Under present law, however, incentive stock options may only be granted to our employees, including employees of our subsidiaries. As of April 1, 2016, approximately 1,900 persons were eligible to receive Awards under the A&R 2007 Plan, including our three executive officers and all of our directors.

The maximum number of shares with respect to which Awards may be granted to any participant under the A&R 2007 Plan may not exceed 250,000 shares per calendar year. For purposes of this limit, the combination of an option in tandem with SAR is treated as a single award.

#### Plan Benefits

### *Administration*

The A&R 2007 Plan is administered by our Board of Directors. Our Board of Directors has the authority to adopt, amend, and repeal the administrative rules, guidelines, and practices relating to the A&R 2007 Plan and to interpret the provisions of the A&R 2007 Plan and any Award agreements. Pursuant to the terms of the A&R 2007 Plan, to the extent permitted by applicable law, our Board of Directors may delegate authority under the A&R 2007 Plan to one or more committees or subcommittees of our Board of Directors. Any references herein to our Board is also deemed to refer to our compensation committee and subcommittee.

Subject to any applicable limitations contained in the A&R 2007 Plan, our Board of Directors or any committee to whom our Board of Directors delegates authority, as the case may be, selects the recipients of Awards and determines (i) the number of shares of Common Stock covered by options and the dates upon which such options become exercisable, (ii) the exercise price of options (which may not be less than 100% of fair market value of the Common Stock), (iii) the duration of options (which may not exceed 10 years), and (iv) the number of shares of Common Stock subject to any SAR, Restricted Stock Awards, or other stock-based Awards and the terms and conditions of such Awards, including conditions for repurchase, issue price, and repurchase price.

In addition, to the extent permitted by applicable law and our A&R 2007 Plan, our Board of Directors may delegate to our Chief Executive Officer its authority under our A&R 2007 Plan to grant options and other Awards that constitute rights under Delaware law to employees and officers who are not executive officers and to exercise such other powers as our Board of Directors may determine, provided that it will fix the terms of the awards to be granted by the Chief Executive Officer (including the exercise price of such Awards, which may include a formula by which the exercise price will be determined) and the maximum number of shares subject to Awards that the Chief Executive Officer may grant.

Our Board of Directors is required to make appropriate and equitable adjustments in connection with the A&R 2007 Plan and any outstanding Awards to reflect stock splits, stock dividends, recapitalizations, spin-offs, and other similar changes in capitalization. The A&R 2007 Plan also contains provisions addressing the consequences of any Reorganization Event, which is defined as (i) our merger or consolidation with or into another entity as a result of which all of our Common Stock is converted into or exchanged for the right to receive cash, securities, or other property or is cancelled or (b) any exchange of all of our Common Stock for cash, securities, or other property pursuant to a share exchange transaction or (c) our liquidation or dissolution. In connection with a Reorganization Event, our Board of Directors will take any one or more of the following actions as to all or any outstanding Awards other than Restricted Stock Awards on such terms as our Board of Directors determines: (i) provide that Awards will be assumed, or substantially equivalent Awards will be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), (ii) upon written notice, provide that all unexercised options or other unexercised Awards will terminate immediately prior to the consummation of such Reorganization Event unless exercised within a specified period following the date of such notice, (iii) provide that outstanding Awards will become exercisable, realizable, or deliverable, or restrictions applicable to an Award will lapse, in whole or in part prior to or upon such Reorganization Event, (iv) in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the Reorganization Event, which we refer to as the Acquisition Price, make or provide for a cash payment to an Award holder equal to (A) the Acquisition Price times the number of shares of Common Stock subject to the holder's Awards (to the extent the exercise price does not exceed the Acquisition Price) minus (B) the aggregate exercise price of all the holder's outstanding Awards and any applicable tax withholdings, in exchange for the termination of such Awards, (v) provide that, in connection with our liquidation or dissolution, Awards will convert into the right to receive liquidation proceeds (if applicable, net of the exercise price thereof and any applicable tax withholdings), and (vi) any combination of the foregoing. Our Board of Directors is not required to treat holders of the same types of Awards in the same manner. An Option will be treated as assumed if it relates to the consideration paid in the transaction or, if the consideration is not solely common stock of the acquiring or succeeding corporation, to stock of the corporation equivalent to the consideration.

If there is a Reorganization Event, other than our liquidation or dissolution, our successor will assume our repurchase and other rights under each outstanding Restricted Stock Award. Unless our Board of Directors determines otherwise, our successor's rights will apply in the same manner and to the same extent to the cash, securities, or other property that our Common Stock was converted into or exchanged for pursuant to the Reorganization Event as they applied to our Common Stock subject to the Restricted Stock Award. If there is a Reorganization Event that involves our liquidation or dissolution, except as otherwise provided in a participant's Restricted Stock or Restricted Stock Unit agreement or in other agreements between the participant and us, all of the restrictions and conditions on the participant's then-outstanding Restricted Stock Awards will automatically be deemed terminated or satisfied.

If any Award expires or is terminated, surrendered, canceled, or forfeited, the unused shares of Common Stock covered by such Award will again be available for grant under the A&R 2007 Plan, subject, however, in the case of incentive stock options, to any limitations under the Code.

#### *Vesting Limitations*

No Restricted Stock Awards or other stock-based awards that vest solely based on the passage of time shall be vested in full prior to the third anniversary of the date of grant. Restricted Stock Awards or other stock-based awards that do not vest solely based on the passage of time shall not vest in full prior to the first anniversary of the date of grant. The two foregoing sentences shall not apply to Restricted Stock Awards or other stock-based awards, in the aggregate, for up to 10% of the maximum number of shares available for award under the A&R 2007 Plan. Notwithstanding the foregoing and other than with respect to performance awards, as defined in the A&R 2007 Plan, our Board may, either at the time a Restricted Stock Award or other stock-based award is made or at any time thereafter, waive its right to repurchase shares of Common Stock (or waive the forfeiture thereof) or remove or modify the restrictions applicable to such award, in whole or in part, in the event of the death or disability of the participant; the termination of the participant's employment by or service to us under specified circumstances; or a merger, consolidation, sale, reorganization, recapitalization, or change in control of the Company.

#### *Substitute Awards*

In connection with a merger or consolidation of an entity with us or the acquisition by us of property or stock of an entity, our Board of Directors may grant Awards in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Awards may be granted on such terms, as our Board of Directors deems appropriate in the circumstances, notwithstanding any limitations on Awards contained in the A&R 2007 Plan. Substitute Awards will not count against the A&R 2007 Plan's overall share limit, except as may be required by the Code.

#### *Provisions for Non U.S. Employees and Authorization of Sub-Plans*

Our Board of Directors may grant Awards to participants who are non-U.S. citizens or residents employed outside the United States, or both, on such terms and conditions different from those applicable to Awards to Participants employed in the United States as may, in the judgment of the Board of Directors, be necessary or desirable in order to recognize differences in local law or tax policy. The Board of Directors also may impose conditions on the exercise or vesting of Awards in order to minimize the Board of Directors' obligation with respect to tax equalization for Participants on assignments outside their home country.

Our Board of Directors may also establish subplans or procedures under the A&R 2007 Plan to satisfy applicable securities or tax laws of various jurisdictions.

## Amendment or Termination

Except as otherwise provided with respect to performance awards, the Board of Directors may amend, modify, or terminate any outstanding Award, including but not limited to, substituting therefore another Award of the same or a different type, changing the date of exercise or realization, and converting an incentive stock option to a nonstatutory stock option, provided either (i) that the participant's consent to such action shall be required unless the Board of Directors determines that the action, taking into account any related action, would not materially and adversely affect the participant or (ii) that the change is permitted under the A&R 2007 Plan.

No Award may be made under the A&R 2007 Plan after May 26, 2020, but Awards previously granted may extend beyond that date. Our Board of Directors may at any time amend, suspend, or terminate the A&R 2007 Plan, provided that, to the extent required by Section 162(m) of the Code, no Award granted to a participant that is intended to comply with Section 162(m), after the date of such amendment will become exercisable, realizable, or vested unless and until the amendment is approved by our stockholders if required by Section 162(m). In addition, no amendment that would require stockholder approval under the rules of the Nasdaq Stock Market may be effective unless and until such amendment has been approved by our stockholders. If the Nasdaq Stock Market amends its corporate governance rules so that the rules no longer require stockholder approval of "material amendments" to equity compensation plans, then, from the effective date of such amendment, no amendment to the A&R 2007 Plan which materially increases the number of shares authorized under the A&R 2007 Plan (other than pursuant to the adjustment provisions contained in the A&R 2007 Plan), expands the types of awards that may be granted under the A&R 2007 Plan, or materially expands the class of participants eligible to participate in the A&R 2007 Plan shall be effective unless stockholder approval is obtained.

If stockholder approval is required under Section 422 of the Code, the Board may not effect such modification or amendment without stockholder approval.

No Award shall be made that is conditioned upon stockholder approval of any amendment to the A&R 2007 Plan, provided however, that options and Restricted Stock Units may be granted that are conditioned upon stockholder approval as long as the grants provide that no shares may be issued unless and until the options and Restricted Stock Units are so approved and that the options and Restricted Stock Units will expire if not so approved within one year after grant.

## Federal Income Tax Consequences

The following is a summary of the United States federal income tax consequences that generally will arise with respect to Awards granted under the A&R 2007 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. In addition, this summary assumes that all Awards are exempt from, or comply with, the rules under Section 409A of the Code regarding nonqualified deferred compensation. Changes to these laws could alter the tax consequences described below.

### Incentive Stock Options

A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by us or our corporate parent or 50% or more-owned corporate subsidiary at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under "Nonstatutory Stock Options." The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the stock for more than one year and otherwise will be short-term. If a participant sells the stock at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

#### Nonstatutory Stock Options

A participant will not have income upon the grant of a nonstatutory stock option. A participant will have compensation income upon the exercise of a nonstatutory stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the stock for more than one year and otherwise will be short-term.

#### *Stock Appreciation Rights*

A participant will not have income upon the grant of a SAR. A participant generally will recognize compensation income upon the exercise of a SAR equal to the fair market value of any stock received. Upon the sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the SAR was exercised. This capital gain or loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

#### Restricted Stock Awards

A participant will not have income upon the grant of restricted stock unless an election under Section 83(b) of the Code is made within 30 days of the date of grant. If a timely 83(b) election is made, then a participant will have compensation income equal to the value of the stock less the purchase price, if any. When the stock is sold, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the date of grant. If the participant does not make an 83(b) election, then when the stock vests the participant will have compensation income equal to the value of the stock on the vesting date less the purchase price, if any. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

#### *Restricted Stock Units*

A participant will not have income upon the grant of a restricted stock unit. A participant is not permitted to make a Section 83(b) election with respect to a restricted stock unit award. When the restricted stock unit vests, the participant will have income on the vesting date in an amount equal to the fair market value of the stock on the vesting date less the purchase price, if any. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

## Other Stock-Based Awards

The tax consequences associated with any other stock-based Award granted under the A&R 2007 Plan will vary depending on the specific terms of such Award. Among the relevant factors are whether or not the Award has a readily ascertainable fair market value, whether or not the Award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the Award, and the participant's holding period and tax basis for the Award or underlying Common Stock.

### Tax Consequences to the Company

There will be no tax consequences to the Company except that we will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

## PROPOSAL FOUR

### RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has selected the firm of Deloitte & Touche LLP, an independent registered public accounting firm, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016. The ratification of this selection by the Audit Committee is not required under the laws of the State of Delaware, where we are incorporated, but the results of this vote will be considered by the Audit Committee in selecting our independent registered public accounting firm. Deloitte & Touche LLP has served as our independent registered public accounting firm since 1984. It is expected that a member of Deloitte & Touche LLP will be present at the meeting with the opportunity to make a statement if so desired and will be available to respond to appropriate questions from stockholders.

**Our Board of Directors recommends a vote "FOR" the ratification of the selection by the Audit Committee of Deloitte & Touche LLP as our independent registered public accounting firm by voting "FOR" Proposal FOUR.**

### Principal Accounting Fees and Services

The following table summarizes the fees Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their affiliates, which we collectively refer to as Deloitte & Touche, billed to us for each of the last two fiscal years. The Audit Committee of our Board of Directors believes that the non-audit services described below did not compromise Deloitte & Touche's independence.

<u>Fee Category</u>	<u>2015</u>	<u>2014</u>
Audit Fees <sup>(1)</sup>	\$ 921,000	\$1,007,700
Tax Fees <sup>(2)</sup>	212,500	280,265
All Other Fees <sup>(3)</sup>	2,600	2,600
Total Fees	<u>\$1,136,100</u>	<u>\$1,290,565</u>

- (1) Audit fees consist of fees for the audit of financial statements, the audit of internal control over financial reporting, the review of the interim financial statements included in quarterly reports on Form 10-Q, and other professional services provided in connection with statutory and regulatory filings or engagements.
- (2) The tax fees were for tax compliance services, which relate to preparation of original and amended tax returns, and claims for refunds and tax payment-planning services.
- (3) All Other Fees consist of a fee for an accounting subscription.

## Pre-Approval Policies and Procedures

Our Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage an independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by our Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, our Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next twelve months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

Our Audit Committee has also delegated to the Chairman of our Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent registered public accounting firm. Any approval of services by the Chairman of our Audit Committee pursuant to this delegated authority is reported on at the next meeting of our Audit Committee.

## Audit Committee Report

Our Audit Committee has reviewed our audited financial statements for the fiscal year ended December 31, 2015, and discussed them with our management and our registered public accounting firm.

The Audit Committee has also discussed with our registered public accounting firm various communications that our registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by Public Company Accounting Oversight Board (United States) Audit Standard AU Section 380, Communication with Audit, and Rule 2-07 of SEC Regulation S-X. The Audit Committee was satisfied with this discussion.

The standards of the Public Company Accounting Oversight Board require our registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- methods to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the registered public accounting firm's conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

Our Audit Committee has received the written disclosures and the letter from our registered public accounting firm required by PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the registered public accounting firm's communication with the Audit Committee concerning independence, and has discussed with our registered public accounting firm their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015.

By the Audit Committee of the Board of Directors of PC Connection:

Donald Weatherson, Chairman  
Joseph Baute  
Barbara Duckett

The Amended and Restated 2007 Stock Incentive Plan (the "Plan") of PC Connection, Inc. is hereby further amended as follows:

1. Section 7(b) of the Plan is hereby deleted in its entirety and a new Section 7(b) is inserted in lieu thereof which reads as follows:

“(b) Terms and Conditions for All Restricted Stock Awards. The Board shall determine the terms and conditions of a Restricted Stock Award, including the conditions for vesting and repurchase (or forfeiture) and the issue price, if any. No Restricted Stock Award that vests solely based on the passage of time shall vest in full earlier than the third anniversary of its date of grant. Restricted Stock Awards that do not vest solely based on the passage of time shall not vest in full prior to the first anniversary of the date of grant. Notwithstanding any other provision of the Plan (other than Section 10(h), if applicable), the Board may, either at the time a Restricted Stock Award is made or at any time thereafter, waive its right to repurchase shares of Common Stock (or waive the forfeiture thereof) or remove or modify the restrictions applicable to the Restricted Stock Award, in whole or in part, in the event of the death or disability of the Participant; the termination of the Participant’s employment by or service to the Company under specified circumstances; or a merger, consolidation, sale, reorganization, recapitalization, or change in control of the Company.”

2. Section 8 of the Plan is hereby deleted in its entirety and a new Section 8 is inserted in lieu thereof, which reads as follows:

Such Other Stock Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock Based Awards may be paid in shares of Common Stock or cash, as the Board shall determine.

(b) Terms and Conditions. Subject to the provisions of the Plan, the Board shall determine the terms and conditions of each Other Stock-Based Award, including any purchase price applicable thereto. No Other Stock-Based Award that vests solely based on the passage of time shall vest in full earlier than the third anniversary of its date of grant. Other Stock-Based Awards that do not vest solely based on the passage of time shall not vest in full prior to the first anniversary of the date of grant. 3. Section 10(f) of the Plan is hereby deleted in its entirety and a new Section 10(f) is inserted in lieu thereof which reads as follows:

Except as set forth above, the remainder of the Plan remains in full force and effect.

Except as set forth above, the remainder of the Plan remains in full force and effect.

**Adopted by the Board of Directors on February 25, 2014 and approved by shareholders on May 21, 2014.**

**AMENDMENT NO. 5 TO**

**AMENDED AND RESTATED 2007 STOCK INCENTIVE PLAN**

The Amended and Restated 2007 Stock Incentive Plan (the "Plan") of PC Connection, Inc. is hereby further amended as follows:

1. The first sentence of the Section 4(a) is hereby deleted in its entirety and the following is inserted in lieu thereof:

"Subject to adjustment under Section 9, Awards may be made under the Plan for a number of shares of common stock, \$0.01 par value per share, of the Company (the "Common Stock"), equal to 1,700,000 shares of Common Stock."

Except as set forth above, the remainder of the Plan remains in full force and effect.

**Adopted by the Board of Directors on March 2, 2016.**

**PC Connection, Inc.**  
**AMENDED AND RESTATED 2007 STOCK INCENTIVE PLAN**

**1. Purpose**

The purpose of this 2007 Stock Incentive Plan (the “Plan”) of PC Connection, Inc., a Delaware corporation (the “Company”), is to advance the interests of the Company’s stockholders by enhancing the Company’s ability to attract, retain, and motivate persons who are expected to make important contributions to the Company and by providing such persons with equity ownership opportunities and performance-based incentives thereby better aligning the interests of such persons with those of the Company’s stockholders. Except where the context otherwise requires, the term “Company” shall include any of the Company’s present or future parent or subsidiary corporations as defined in Sections 424(e) or (f) of the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder (the “Code”) and any other business venture (including, without limitation, joint venture or limited liability company) in which the Company has a controlling interest, as determined by the Board of Directors of the Company (the “Board”).

**2. Eligibility**

All of the Company’s employees, officers, directors, consultants, and advisors are eligible to be granted options, stock appreciation rights, restricted stock, restricted stock units, and other stock-based awards (each, an “Award”) under the Plan. Each person who is granted an Award under the Plan is deemed a “Participant”.

**3. Administration and Delegation**

- a) **Administration by Board of Directors.** The Plan will be administered by the Board. The Board shall have authority to grant Awards and to adopt, amend, and repeal such administrative rules, guidelines, and practices relating to the Plan as it shall deem advisable. The Board may construe and interpret the terms of the Plan and any Award agreements entered into under the Plan. The Board may correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem expedient to carry the Plan into effect and it shall be the sole and final judge of such expediency. All decisions by the Board shall be made in the Board’s sole discretion and shall be final and binding on all persons having or claiming any interest in the Plan or in any Award. No director or person acting pursuant to the authority delegated by the Board shall be liable for any action or determination relating to or under the Plan made in good faith.
- b) **Appointment of Committees.** To the extent permitted by applicable law, the Board may delegate any or all of its powers under the Plan to one or more committees or subcommittees of the Board (a “Committee”). All references in the Plan to the “Board” shall mean the Board or a Committee or subcommittee of the Board or the officers referred to in Section 3(c) to the extent that the Board’s powers or authority under the Plan have been delegated to such Committee or officers.
- c) **Delegation to Chief Executive Officer.** To the extent permitted by applicable law, the Board may delegate to the Chief Executive Officer the power to grant Options and other Awards that constitute rights under Delaware law (subject to any limitations under the Plan) to employees or officers of the Company or any of its present or future subsidiary corporations and to exercise such other powers under the Plan as the Board may determine, provided that the Board shall fix the terms of the Awards to be granted by the Chief Executive Officer (including the exercise price of such Awards, which may include a formula by which the exercise price will be determined) and the maximum number of shares subject to Awards that the Chief Executive Officer may grant; provided further, however, that such officer shall not be authorized to grant Awards to any “executive officer” of the Company (as defined by Rule 3b-7 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) or to any “officer” of the Company (as defined by Rule 16a-1 under the Exchange Act).

#### 4. Stock Available for Awards

- a) Number of Shares. Subject to adjustment under Section 9, Awards may be made under the Plan for a number of shares of common stock, \$0.01 par value per share, of the Company (the “Common Stock”), equal to 1,000,000 shares of Common Stock. If any Award expires or is terminated, surrendered or canceled without having been fully exercised, is forfeited in whole or in part (including as the result of shares of Common Stock subject to such Award being repurchased by the Company at the original issuance price pursuant to a contractual repurchase right), results in any Common Stock not being issued, the unused Common Stock covered by such Award shall again be available for the grant of Awards under the Plan. Further, shares of Common Stock delivered to the Company by a Participant to exercise an Award shall be added to the number of shares of Common Stock available for the grant of Awards under the Plan. However, in the case of Incentive Stock Options (as hereinafter defined), the foregoing provisions shall be subject to any limitations under the Code. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.
- b) Sub-limits. Subject to adjustment under Section 9, the following sub-limit on the number of shares subject to Awards shall apply:
  - 1) Section 162(m) Per-Participant Limit. The maximum number of shares of Common Stock with respect to which Awards may be granted to any Participant under the Plan shall be 250,000 per calendar year. For purposes of the foregoing limit, the combination of an Option in tandem with a SAR (as each is hereafter defined) shall be treated as a single Award. The per-Participant limit described in this Section 4(b)(1) shall be construed and applied consistently with Section 162(m) of the Code or any successor provision thereto, and the regulations thereunder (“Section 162(m)”).
- c) Substitute Awards. In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Board may grant Awards in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Awards may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on Awards contained in the Plan. Substitute Awards shall not count against the overall share limit set forth in Section 4(a) or any sublimits contained in the Plan, except as may be required by reason of Section 422 and related provisions of the Code.

#### 5. Stock Options

- a) General. The Board may grant options to purchase Common Stock (each, an “Option”) and determine the number of shares of Common Stock to be covered by each Option, the exercise price of each Option and the conditions and limitations applicable to the exercise of each Option, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable. An Option that is not intended to be, or is not otherwise qualified to be, an Incentive Stock Option (as hereinafter defined) shall be designated a “Nonstatutory Stock Option.”
- b) Incentive Stock Options. An Option that the Board intends to be an “incentive stock option” as defined in Section 422 of the Code (an “Incentive Stock Option”) shall only be granted to employees of PC Connection, Inc., any of PC Connection, Inc.’s present or future parent or subsidiary corporations as defined in Sections 424(e) or (f) of the Code, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code, and shall be subject to and shall be construed consistently with the requirements of Section 422 of the Code. The Company shall have no liability to a Participant, or any other party, if an Option (or any part thereof) that is intended to be an Incentive Stock Option is not an Incentive Stock Option or for any action taken by the Board, including without limitation the conversion of an Incentive Stock Option to a Nonstatutory Stock Option.

- c) Exercise Price. The Board shall establish the exercise price of each Option and specify such exercise price in the applicable option agreement; provided, however, that the exercise price shall be not less than 100% of the Fair Market Value (as defined below) of our stock on the date the Option is granted.
- d) Duration of Options. Each Option shall be exercisable at such times and subject to such terms and conditions as the Board may specify in the applicable option agreement; provided, however, that no Option will be granted for a term in excess of 10 years.
- e) Exercise of Option. Options may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board, together with payment in full as specified in Section 5(f) for the number of shares for which the Option is exercised. Shares of Common Stock subject to the Option will be delivered by the Company following exercise either as soon as practicable or, subject to such conditions as the Board shall specify, on a deferred basis (with the Company's obligation to be evidenced by an instrument providing for future delivery of the deferred shares at the time or times specified by the Board).
- f) Payment Upon Exercise. Common Stock purchased upon the exercise of an Option granted under the Plan shall be paid for as follows:
  - 1) in cash or by check, payable to the order of the Company;
  - 2) except as may otherwise be provided in the applicable option agreement, by (i) delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to the Company sufficient funds to pay the exercise price and any required tax withholding or (ii) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to the Company cash or a check sufficient to pay the exercise price and any required tax withholding;
  - 3) to the extent provided for in the applicable option agreement or approved by the Board, in its sole discretion, by delivery (either by actual delivery or attestation) of shares of Common Stock owned by the Participant valued at their fair market value as determined by (or in a manner approved by) the Board ("Fair Market Value"), provided (i) such method of payment is then permitted under applicable law, (ii) such Common Stock, if acquired directly from the Company, was owned by the Participant for such minimum period of time, if any, as may be established by the Board in its discretion and (iii) such Common Stock is not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements;
  - 4) to the extent permitted by applicable law and provided for in the applicable option agreement or approved by the Board, in its sole discretion, by payment of such other lawful consideration as the Board may determine; or
  - 5) by any combination of the above permitted forms of payment.
- g) Limitation on Repricing. Unless such action is approved by the Company's stockholders: (i) no outstanding Option granted under the Plan may be amended to provide an exercise price per share that is lower than the then-current exercise price per share of such outstanding Option (other than adjustments pursuant to Section 9) and (2) the Board may not cancel any outstanding option (whether or not granted under the Plan) and grant in substitution therefore new Awards under the Plan covering the same or a different number of shares of Common Stock and having an exercise price per share lower than the then-current exercise price per share of the cancelled option.

6. Stock Appreciation Rights

- a) General. The Board may grant Awards consisting of a Stock Appreciation Right (“SAR”) entitling the holder, upon exercise, to receive an amount in Common Stock determined in whole or in part by reference to appreciation, from and after the date of grant, in the fair market value of a share of Common Stock. The date as of which such appreciation or other measure is determined shall be the exercise date.
- b) Grants. SARs may be granted in tandem with, or independently of, Options granted under the Plan.
  - 1) Tandem Awards. When SARs are expressly granted in tandem with Options, (i) the SAR will be exercisable only at such time or times, and to the extent, that the related Option is exercisable (except to the extent designated by the Board in connection with a Reorganization Event) and will be exercisable in accordance with the procedure required for exercise of the related Option; (ii) the SAR will terminate and no longer be exercisable upon the termination or exercise of the related Option, except to the extent designated by the Board in connection with a Reorganization Event and except that a SAR granted with respect to less than the full number of shares covered by an Option will not be reduced until the number of shares as to which the related Option has been exercised or has terminated exceeds the number of shares not covered by the SAR; (iii) the Option will terminate and no longer be exercisable upon the exercise of the related SAR; and (iv) the SAR will be transferable only with the related Option.
  - 2) Independent SARs. A SAR not expressly granted in tandem with an Option will become exercisable at such time or times, and on such conditions, as the Board may specify in the SAR Award.
- c) Grant Price. The grant price or exercise price of an SAR shall not be less than 100% of the Fair Market Value per share of Common Stock on the date of grant of the SAR.
- d) Term. The term of an SAR shall not be more than 10 years from the date of grant.
- e) Exercise. SARs may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board, together with any other documents required by the Board.

7. Restricted Stock; Restricted Stock Units

- a) General. The Board may grant Awards entitling recipients to acquire shares of Common Stock (“Restricted Stock”), subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price (or to require forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award. Instead of granting Awards for Restricted Stock, the Board may grant Awards entitling the recipient to receive shares of Common Stock to be delivered at the time such shares of Common Stock vest (“Restricted Stock Units”) (Restricted Stock and Restricted Stock Units are each referred to herein as a “Restricted Stock Award”).
- b) Terms and Conditions for all Restricted Stock Awards. The Board shall determine the terms and conditions of a Restricted Stock Award, including the conditions for vesting and repurchase (or forfeiture) and the issue price, if any.

c) Additional Provisions Relating to Restricted Stock.

- 1) Dividends. Participants holding shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such shares, unless otherwise provided by the Board. If any such dividends or distributions are paid in shares, or consist of a dividend or distribution to holders of Common Stock other than an ordinary cash dividend, the shares, cash or other property will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. Each dividend payment will be made no later than the end of the calendar year in which the dividends are paid to shareholders of that class of stock or, if later, the 15th day of the third month following the date the dividends are paid to shareholders of that class of stock.
- 2) Stock Certificates. The Company may require that any stock certificates issued in respect of shares of Restricted Stock shall be deposited in escrow by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). At the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or if the Participant has died, to the beneficiary designated, in a manner determined by the Board, by a Participant to receive amounts due or exercise rights of the Participant in the event of the Participant's death (the "Designated Beneficiary"). In the absence of an effective designation by a Participant, "Designated Beneficiary" shall mean the Participant's estate.

d) Additional Provisions Relating to Restricted Stock Units.

- 1) Settlement. Upon the vesting of and/or lapsing of any other restrictions (i.e., settlement) with respect to each Restricted Stock Unit, the Participant shall be entitled to receive from the Company one share of Common Stock as provided in the applicable Award agreement. The Board may, in its discretion, provide that settlement of Restricted Stock Units shall be deferred, on a mandatory basis or at the election of the Participant in a manner that complies with Section 409A of the Internal Revenue Code ("Code Section 409A").
- 2) Voting Rights. A Participant shall have no voting rights with respect to any Restricted Stock Units.
- 3) Dividend Equivalents. To the extent provided by the Board, in its sole discretion, a grant of Restricted Stock Units may provide Participants with the right to receive an amount equal to any dividends or other distributions declared and paid on an equal number of outstanding shares of Common Stock ("Dividend Equivalents"). Dividend Equivalents may be paid currently or credited to an account for the Participants, may be settled in cash and/or shares of Common Stock and may be subject to the same restrictions on transfer and forfeitability as the Restricted Stock Units with respect to which paid, as determined by the Board in its sole discretion, subject in each case to such terms and conditions as the Board shall establish, in each case to be set forth in the applicable Award agreement.

8. Other Stock Based Awards

Other Awards of shares of Common Stock, and other Awards that are valued in whole or in part by reference to, or are otherwise based on, shares of Common Stock or other property, may be granted hereunder to Participants ("Other Stock Based Awards"), including without limitation Awards entitling recipients to receive shares of Common Stock to be delivered in the future. Such Other Stock Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock Based Awards may be paid in shares of Common Stock or cash, as the Board shall determine. Subject to the provisions of the Plan, the Board shall determine the terms and conditions of each Other Stock Based Award, including any purchase price applicable thereto.

9. Adjustments for Changes in Common Stock and Certain Other Events

- a) Changes in Capitalization. In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any dividend or distribution to holders of Common Stock other than an ordinary cash dividend, (i) the number and class of securities available under this Plan, (ii) the sub-limits set forth in Section 4(b), (iii) the number and class of securities and exercise price per share of each outstanding Option, (iv) the share- and per-share provisions and the exercise price of each SAR, (v) the number of shares subject to and the repurchase price per share subject to each outstanding Restricted Stock Award and (vi) the share- and per-share-related provisions and the purchase price, if any, of each outstanding Other Stock Based Award, shall be equitably adjusted by the Company (or substituted Awards may be made, if applicable) in the manner determined by the Board. Without limiting the generality of the foregoing, in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to such Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.
- b) Reorganization Events.
- 1) Definition. A “Reorganization Event” shall mean: (a) any merger or consolidation of the Company with or into another entity as a result of which all of the Common Stock of the Company is converted into or exchanged for the right to receive cash, securities or other property or is cancelled, (b) any exchange of all of the Common Stock of the Company for cash, securities or other property pursuant to a share exchange transaction or (c) any liquidation or dissolution of the Company.
- 2) Consequences of a Reorganization Event on Awards Other than Restricted Stock Awards. In connection with a Reorganization Event, the Board shall take any one or more of the following actions as to all or any outstanding Awards other than Restricted Stock Awards on such terms as the Board determines: (i) provide that Awards shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), (ii) upon written notice to a Participant, provide that the Participant’s unexercised Options or other unexercised Awards will terminate immediately prior to the consummation of such Reorganization Event unless exercised by the Participant within a specified period following the date of such notice, (iii) provide that outstanding Awards shall become exercisable, realizable, or deliverable, or restrictions applicable to an Award shall lapse, in whole or in part prior to or upon such Reorganization Event, (iv) in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the Reorganization Event (the “Acquisition Price”), make or provide for a cash payment to a Participant equal to the excess, if any, of (A) the Acquisition Price times the number of shares of Common Stock subject to the Participant’s Options or other Awards (to the extent the exercise price does not exceed the Acquisition Price) over (B) the aggregate exercise price of all such outstanding Options or other Awards and any applicable tax withholdings, in exchange for the termination of such Options or other Awards, (v) provide that, in connection with a liquidation or dissolution of the Company, Awards shall convert into the right to receive liquidation proceeds (if applicable, net of the exercise price thereof and any applicable tax withholdings) and (vi) any combination of the foregoing. The Board shall not be required to treat holders of the same types of Awards in the same manner pursuant to this Section 9(b)(2).

For purposes of clause (i) above, an Option shall be considered assumed if, following consummation of the Reorganization Event, the Option confers the right to purchase, for each share of Common Stock subject to the Option immediately prior to the consummation of the Reorganization Event, the consideration (whether cash, securities or other property) received as a result of the Reorganization Event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the Reorganization Event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if the consideration received as a result of the Reorganization Event is not solely common stock of the acquiring or succeeding corporation (or an affiliate thereof), the Company may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise of Options to consist solely of common stock of the acquiring or succeeding corporation (or an affiliate thereof) equivalent in value (as determined by the Board) to the per share consideration received by holders of outstanding shares of Common Stock as a result of the Reorganization Event.

- 3) Consequences of a Reorganization Event on Restricted Stock Awards. Upon the occurrence of a Reorganization Event other than a liquidation or dissolution of the Company, the repurchase and other rights of the Company under each outstanding Restricted Stock Award shall inure to the benefit of the Company's successor and shall, unless the Board determines otherwise, apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such Restricted Stock Award. Upon the occurrence of a Reorganization Event involving the liquidation or dissolution of the Company, except to the extent specifically provided to the contrary in the instrument evidencing any Restricted Stock Award or any other agreement between a Participant and the Company, all restrictions and conditions on all Restricted Stock Awards then outstanding shall automatically be deemed terminated or satisfied.

10) General Provisions Applicable to Awards

- a) Transferability of Awards. Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an Incentive Stock Option, pursuant to a qualified domestic relations order, and, during the life of the Participant, shall be exercisable only by the Participant; provided, however, that the Board may permit or provide in an Award for the gratuitous transfer of the Award by the Participant to or for the benefit of any immediate family member, family trust or other entity established for the benefit of the Participant and/or an immediate family member thereof if, with respect to such proposed transferee, the Company would be eligible to use a Form S-8 for the registration of the sale of the Common Stock subject to such Award under the Securities Act of 1933, as amended; provided, further, that the Company shall not be required to recognize any such transfer until such time as the Participant and such permitted transferee shall, as a condition to such transfer, deliver to the Company a written instrument in form and substance satisfactory to the Company confirming that such transferee shall be bound by all of the terms and conditions of the Award. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.
- b) Documentation. Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.
- c) Board Discretion. Except as otherwise provided by the Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and the Board need not treat Participants uniformly.

- d) Termination of Status. The Board shall determine the effect on an Award of the disability, death, termination of employment, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or Designated Beneficiary, may exercise rights under the Award.
- e) Withholding. The Participant must satisfy all applicable federal, state, and local or other income and employment tax withholding obligations before the Company will deliver stock certificates or otherwise recognize ownership of Common Stock under an Award. The Company may decide to satisfy the withholding obligations through additional withholding on salary or wages. If the Company elects not to or cannot withhold from other compensation, the Participant must pay the Company the full amount, if any, required for withholding or have a broker tender to the Company cash equal to the withholding obligations. Payment of withholding obligations is due before the Company will issue any shares on exercise or release from forfeiture of an Award or, if the Company so requires, at the same time as is payment of the exercise price unless the Company determines otherwise. If provided for in an Award or approved by the Board in its sole discretion, a Participant may satisfy such tax obligations in whole or in part by delivery of shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value; provided, however, except as otherwise provided by the Board, that the total tax withholding where stock is being used to satisfy such tax obligations cannot exceed the Company's minimum statutory withholding obligations (based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to such supplemental taxable income). Shares surrendered to satisfy tax withholding requirements cannot be subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements.
- f) Amendment of Award. Except as otherwise provided in Section 10(h) with respect to Performance Awards, the Board may amend, modify or terminate any outstanding Award, including but not limited to, substituting therefore another Award of the same or a different type, changing the date of exercise or realization, and converting an Incentive Stock Option to a Nonstatutory Stock Option, provided either (i) that the Participant's consent to such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant or (ii) that the change is permitted under Section 9 hereof.
- g) Conditions on Delivery of Stock. The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (i) all conditions of the Award have been met or removed to the satisfaction of the Company, (ii) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.
- h) Performance Awards.
- 1) Grants. Restricted Stock Awards and Other Stock Based Awards under the Plan may be made subject to the achievement of performance goals pursuant to this Section 10(h) ("Performance Awards"), subject to the limit in Section 4(b)(1) on shares covered by such grants.
  - 2) Committee. Grants of Performance Awards to any Covered Employee intended to qualify as "performance-based compensation" under Section 162(m) ("Performance-Based Compensation") shall be made only by a Committee (or subcommittee of a Committee) comprised solely of two or more directors eligible to serve on a committee making Awards qualifying as "performance-based compensation" under Section 162(m). In the case of such Awards granted to Covered Employees, references to the Board or to a Committee shall be deemed to be references to such Committee or subcommittee. "Covered Employee" shall mean any person who is a "covered employee" under Section 162(m)(3) of the Code.

- 3) Performance Measures. For any Award that is intended to qualify as Performance-Based Compensation, the Committee shall specify that the degree of granting, vesting and/or payout shall be subject to the achievement of one or more objective performance measures established by the Committee, which shall be based on the relative or absolute attainment of specified levels of one or any combination of the following: (a) net income, (b) earnings before or after discontinued operations, interest, taxes, depreciation and/or amortization, (c) operating profit before or after discontinued operations and/or taxes, (d) sales, (e) sales growth, (f) earnings growth, (g) cash flow or cash position, (h) gross margins, (i) stock price, (j) market share, (k) return on sales, assets, equity or investment, (l) improvement of financial ratings, (m) achievement of balance sheet or income statement objectives or (n) total shareholder return, and may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. Such performance measures may be adjusted to exclude any one or more of (i) extraordinary items, (ii) gains or losses on the dispositions of discontinued operations, (iii) the cumulative effects of changes in accounting principles, (iv) the write-down of any asset, and (v) charges for restructuring and rationalization programs. Such performance measures: (i) may vary by Participant and may be different for different Awards; (ii) may be particular to a Participant or the department, branch, line of business, subsidiary or other unit in which the Participant works and may cover such period as may be specified by the Committee; and (iii) shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m). Awards that are not intended to qualify as Performance-Based Compensation may be based on these or such other performance measures as the Board may determine.
- 4) Adjustments. Notwithstanding any provision of the Plan, with respect to any Performance Award that is intended to qualify as Performance-Based Compensation, the Committee may adjust downwards, but not upwards, the number of Shares payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance measures except in the case of the death or disability of the Participant or a change in control of the Company.
- 5) Other. The Committee shall have the power to impose such other restrictions on Performance Awards as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for Performance-Based Compensation.

11) Miscellaneous

- a) No Right To Employment or Other Status. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.
- b) No Rights As Stockholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares.
- c) Effective Date and Term of Plan. The Plan shall become effective on the date this Amended and Restated Plan is approved by the Company's stockholders (the "Effective Date"). No Awards shall be granted under the Plan after the completion of 10 years from the Effective Date, but Awards previously granted may extend beyond that date.

- d) Amendment of Plan. The Board may amend, suspend or terminate the Plan or any portion thereof at any time provided that (i) to the extent required by Section 162(m), no Award granted to a Participant that is intended to comply with Section 162(m) after the date of such amendment shall become exercisable, realizable or vested, as applicable to such Award, unless and until such amendment shall have been approved by the Company's stockholders if required by Section 162(m) (including the vote required under Section 162(m)); (ii) no amendment that would require stockholder approval under the rules of the Nasdaq Stock Market ("NASDAQ") may be made effective unless and until such amendment shall have been approved by the Company's stockholders; and (iii) if the NASDAQ amends its corporate governance rules so that such rules no longer require stockholder approval of "material amendments" to equity compensation plans, then, from and after the effective date of such amendment to the NASDAQ rules, no amendment to the Plan (A) materially increasing the number of shares authorized under the Plan (other than pursuant to Sections 4(c) or 9), (B) expanding the types of Awards that may be granted under the Plan, or (C) materially expanding the class of participants eligible to participate in the Plan shall be effective unless stockholder approval is obtained. In addition, if at any time the approval of the Company's stockholders is required as to any other modification or amendment under Section 422 of the Code or any successor provision with respect to Incentive Stock Options, the Board may not effect such modification or amendment without such approval. No Award shall be made that is conditioned upon stockholder approval of any amendment to the Plan, provided however, that Options and Restricted Stock Units may be granted that are conditioned upon stockholder approval as long as the grants provide that no shares may be issued unless and until the Options and Restricted Stock Units are so approved and that the Options and Restricted Stock Units will expire if not so approved within one year after grant.
- e) Authorization of Sub-Plans. The Board may from time to time establish one or more sub-plans under the Plan for purposes of satisfying applicable securities or tax laws of various jurisdictions. The Board shall establish such sub-plans by adopting supplements to the Plan containing (i) such limitations on the Board's discretion under the Plan as the Board deems necessary or desirable or (ii) such additional terms and conditions not otherwise inconsistent with the Plan as the Board shall deem necessary or desirable. All supplements adopted by the Board shall be deemed to be part of the Plan, but each supplement shall apply only to Participants within the affected jurisdiction and the Company shall not be required to provide copies of any supplement to Participants in any jurisdiction which is not the subject of such supplement.
- f) Non U.S. Employees. Awards may be granted to Participants who are non-U.S. citizens or residents employed outside the United States, or both, on such terms and conditions different from those applicable to Awards to Participants employed in the United States as may, in the judgment of the Board, be necessary or desirable in order to recognize differences in local law or tax policy. The Board also may impose conditions on the exercise or vesting of Awards in order to minimize the Board's obligation with respect to tax equalization for Participants on assignments outside their home country. The Board may approve such supplements to or amendments, restatements or alternative versions of the Plan as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan.
- g) Compliance with Section 409A of the Code. Except as provided in individual Award agreements initially or by amendment, if and to the extent any portion of any payment, compensation or other benefit provided to a Participant in connection with his or her employment termination is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code and the Participant is a specified employee as defined in Section 409A(a)(2)(B)(i) of the Code, as determined by the Company in accordance with its procedures, by which determination the Participant (through accepting the Award) agrees that he or she is bound, such portion of the payment, compensation or other benefit shall not be paid before the day that is six months plus one day after the date of "separation from service" (as determined under Code Section 409A) (the "New Payment Date"), except as Code Section 409A may then permit. The aggregate of any payments that otherwise would have been paid to the Participant during the period between the date of separation from service and the New Payment Date shall be paid to the Participant in a lump sum on such New Payment Date, and any remaining payments will be paid on their original schedule.

The Company makes no representations or warranty and shall have no liability to the Participant or any other person if any provisions of or payments, compensation or other benefits under the Plan are determined to constitute nonqualified deferred compensation subject to Code Section 409A but do not satisfy the conditions of that section.

- h) Limitations on Liability. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee, or agent of the Company will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan, nor will such individual be personally liable with respect to the Plan because of any contract or other instrument he or she executes in his or her capacity as a director, officer, other employee, or agent of the Company. The Company will indemnify and hold harmless each director, officer, other employee, or agent of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been or will be delegated, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Board's approval) arising out of any act or omission to act concerning this Plan unless arising out of such person's own fraud or bad faith.
- i) Governing Law. The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, excluding choice-of-law principles of the law of such state that would require the application of the laws of a jurisdiction other than such state.
