Secures ITES-SW2 Contract to Provide Software to U.S. Army, DoD, and Federal Agencies

MERRIMACK, N.H.--(BUSINESS WIRE)--Nov. 23, 2020-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, announced today that it has been awarded an Information Technology Enterprise Solutions--Software 2 (ITES-SW2) contract by the U.S. Army Computer Hardware Enterprise Software and Solutions (CHES) office.

ITES-SW2 is a \$13 billion multiple-award, firm-fixed-price, indefinite delivery/indefinite quantity (ID/IQ) contract vehicle that allows recipients to compete for the sale of IT solutions to the U.S. Army, Department of Defense (DoD), and other Federal agencies and associated contractors. The contract has a 5-year base period with an additional 5-year option term through August 2030, covering the provision of software and maintenance services across 14 product categories.

Tim McGrath, President and Chief Executive Officer of Connection said, "We are honored to be selected for the ITES-SW2 contract and to have the opportunity to continue serving our Federal partners with industry-leading IT solutions and services. The depth and scope of this contract reflects the Federal government's focus on modernization and digital transformation—and the Connection team stands ready to deliver the products, expertise, and value our customers need to achieve their goals on time and on budget."

Robert Howard, President of Connection Public Sector Solutions stated, "Securing the ITES-SW2 contract enables Connection to support the IT software needs of the U.S. Army and our DoD partners. We will continue to deliver the exceptional customer service, technical expertise, and deep vendor partnerships that have fueled Connection's success in helping Federal agencies build and optimize their technology infrastructure."
