

Connection Awarded GSA 2GIT Purchase Agreement

Public Sector Business Secures 2nd Generation Information Technology Award

MERRIMACK, N.H.--(BUSINESS WIRE)--Jun. 8, 2021-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, announced today that its public sector subsidiary, Connection Public Sector Solutions, has been awarded one of the GSAs 2nd Generation Information Technology (2GIT) Blanket Purchase Agreements.

The multi-award contract vehicle covers the purchase of commercial off-the-shelf IT hardware, software, and related services, and is valued at \$5.5 billion in total. The contract has a base period of one year, with an additional four one-year options. 2GIT is open to all federal, state, local, regional, and tribal governments. Connection is proud to be one of the 79 awardees.

Tim McGrath, President and Chief Executive Officer of Connection said, "It's an honor to be awarded the 2GIT contract. Participating in this purchase agreement enables our team to better support the technology needs of our Federal Department of Defense and civilian agency customers and deliver the resources and expertise they need to achieve their mission. I look forward to exceeding the expectations of our valued customers and building on the reputation Connection Public Sector Solutions has earned as a trusted IT provider to government agencies."

Larry Kirsch, President of Connection Public Sector Solutions stated, "We are committed to serving the needs of our government partners, and securing the 2GIT purchase agreement ensures our team is able to offer these customers greater flexibility and choice through seamless, convenient, and affordable IT procurement. It's a privilege to be selected for the contract, and we will use this opportunity to showcase Connection's expertise and dedication to exceptional customer service."
