

Mickey Bland Joins Connection Enterprise Solutions Group as President

New Leader to Drive Growth and Deliver Exceptional Service to Enterprise-level Customers

MERRIMACK, N.H.--(BUSINESS WIRE)--Nov. 7, 2022-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that Mickey Bland has joined the company as President of Connection Enterprise Solutions Group, reporting to Tim McGrath, parent-company President and Chief Executive Officer.

Mr. Bland is an accomplished leader with extensive experience in the IT industry and a track record of driving growth. In his previous roles, Mr. Bland led the largest business unit for a Fortune 500 technology company and has been a proven builder of high-performance, low-turnover sales teams dedicated to cultivating superior client loyalty. He is highly skilled at establishing client relationships, as well as developing and executing complex sales strategies with global and commercial clients. Prior to joining Connection, he worked at Insight Enterprises, Inc. for almost 24 years, most recently as Senior Vice President and GM of Major Accounts and Global Sales.

Mr. McGrath said, "I am excited to welcome Mickey to Connection and to work closely with him as we continue to deliver the best possible service to our customers. Mickey's leadership skills, extensive knowledge of the IT industry, and impressive record of success are the perfect fit for his new role at Connection and the ideal complement to our accomplished Enterprise team. I am confident his contributions will prove a tremendous benefit to our customers and help the Company take market share and drive growth throughout the enterprise space."

About Connection

PC Connection, Inc. and its subsidiaries, dba **Connection**, (www.connection.com; NASDAQ: CNXN) is a Fortune 1000 company headquartered in Merrimack, NH. With offices throughout the United States, Connection delivers custom-configured computer systems overnight from its ISO 9001:2015 certified technical configuration lab at its distribution center in Wilmington, OH.
