

## Connection Named to Newsweek's Most Trustworthy Companies in America 2023 List

### **Ranked #7 in Technology Hardware Industry for Customer, Investor, and Employee Trust**

MERRIMACK, N.H.--(BUSINESS WIRE)--Apr. 27, 2023-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that the company has been named to Newsweek's list of Most Trustworthy Companies in America, for the second year in a row. Connection ranked #7 in the Technology Hardware industry for customer, investor, and employee trust.

Tim McGrath, President and CEO of Connection said, "Our partnerships are built on trust. It's the very foundation of our company, informing every decision we make and every interaction with our loyal customers and industry partners. That commitment to integrity, honesty, and transparency is the reason why Connection is trusted by thousands of customers to serve as an extension of their IT teams—to be welcomed into their organizations as an advisor and technology partner. It's an honor and a privilege to be recognized by Newsweek as one of the Most Trustworthy Companies in America, and we will continue to build on that reputation at every opportunity."

The [Most Trustworthy Companies in America 2023](#) list was produced by Newsweek, in collaboration with market research partner Statista Inc. The list recognizes the Most Trustworthy Companies in America in 23 industries, according to U.S. residents' evaluations across three main public pillars of trust: customer trust, investor trust, and employee trust. The basis of the analysis was an independent survey from a sample of approximately 25,000 U.S. residents, who rated companies they know in terms of all three touchpoints of trust.
