

Connection Awarded on the Forbes America's Best Employers 2024 List

Recognized for Engaging Work Environment and Outstanding Employee Satisfaction

MERRIMACK, N.H.--(BUSINESS WIRE)--Mar. 6, 2024-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that it has once again been named to the Forbes America's Best Employers list. Connection ranked #13 out of 400 organizations on the 2024 list of America's Best Midsize Employers, climbing higher in the rankings from its #88 spot in 2023.

Tim McGrath, President and CEO of Connection said, "It's an honor to be named one of America's Best Employers. This accolade speaks volumes about our employees and the supportive culture we've created together around shared values of integrity, honesty, and teamwork. Our team's commitment to inclusivity is deeply rooted in Connection's history of innovation—every groundbreaking solution or service we provide to customers is the result of dedicated individuals collaborating to bring the best ideas forward. I'm proud of that culture and the supportive work environment we've built at Connection. Thank you to Forbes for recognizing our achievement and our incredible employees."

The Forbes annual ranking of [America's Best Employers](#) —conducted in partnership with market research firm Statista—is based on a survey of more than 170,000 U.S.-based workers at American companies. The survey was conducted based around companies from all industry sectors with more than 1,000 employees in the U.S., with America's Best Midsize Employers ranging from 1,000 to 5,000 employees. Overall, 3.5 million employer evaluations were considered.
