

## Connection Named to Newsweek's Most Trustworthy Companies in America 2024 List

### *Recognized for Outstanding Customer, Investor, and Employee Trust for Third Consecutive Year*

MERRIMACK, N.H.--(BUSINESS WIRE)--May 7, 2024-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that it has been recognized on Newsweek's list of Most Trustworthy Companies in America for the third consecutive year. This prestigious award is presented by Newsweek, in partnership with Statista Inc.

Tim McGrath, President and CEO of Connection said, "It's an honor to be named to Newsweek's list of Most Trustworthy Companies in America for the third year in a row. Integrity, transparency, and trust are essential to the successful relationships we've formed with customers, partners, employees, and investors over the course of our 42-year history. Connection has built a reputation as a trusted partner for hardware, software, accessories, and services—and we will continue to earn that trust with every customer engagement. Thank you to Newsweek and our loyal customers for this incredible honor."

The [Most Trustworthy Companies in America 2024](#) list was produced by Newsweek, in collaboration with Statista Inc., a world-leading statistics portal and industry ranking provider. The list recognizes the Most Trustworthy Companies in America in 23 industries, according to U.S. residents' evaluations across three main public pillars of trust: customer trust, investor trust, and employee trust. The basis of the analysis was an independent survey from a sample of approximately 25,000 U.S. residents, who rated companies they know in terms of all three touchpoints of trust.
