Connection Awarded Federal Purchase Agreement

To Provide Administrative Office of the U.S. Courts and the Federal Judiciary with Microsoft Products and Services

MERRIMACK, N.H.--(BUSINESS WIRE)--May 8, 2024-- Connection (PC Connection, Inc.; NASDAQ: CNXN), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that its public sector subsidiary, Connection Public Sector Solutions, has been awarded a Blanket Purchase Agreement (BPA) for the Administrative Office of the U.S. Courts (AO) and the Federal Judiciary.

The single award Blanket Purchase Agreement covers the purchase of specific Microsoft products and ancillary services in support of IT systems and other IT requirements—and has an estimated value of $125 million in total. The BPA has a base period of three years, with one three-year option extending coverage through November 2029. The BPA is open for ordering by all judiciary organizations and their authorized contracting officers or ordering officials.

Tim McGrath, President and Chief Executive Officer of Connection said, “It’s a privilege to be selected for this purchasing agreement and to serve as a trusted IT provider to the Administrative Office of the U.S. Courts and the Federal Judiciary. We are proud to have been selected to meet the technology needs of our Federal Government. It’s an honor to be awarded this purchasing agreement and to support over 30,000 Federal Judiciary employees with their IT productivity and service needs.”

Larry Kirsch, President of Connection Public Sector Solutions said, “Our team will deliver the exceptional service, value, and technical expertise our Federal customers require to streamline IT procurement and realize greater productivity and operational efficiency. We are ready to provide the Microsoft solutions, services, and technical support the Federal Judiciary requires to achieve their mission—and we look forward to exceeding their expectations.”

The BPA includes Microsoft products and services within the following functional categories: Business Solutions; Client Access Licenses or Bridge CALs; Developer Tools; Management Tools; Office Applications/Collaborative Tools; Operating Systems; Server Software, Desktop Sharing, Virtualization; and Software Assurance.
