Lenovo Honors Connection for Outstanding Performance, Engagement, and Strategic Planning

MERRIMACK, N.H.--(BUSINESS WIRE)--Jun. 24, 2025-- Connection (PC Connection, Inc.; NASDAQ: [CNXN](#)), a leading information technology solutions provider to business, government, healthcare, and education markets, is pleased to announce that it has received the Lenovo 360 Nationals Partner of the Year U.S. 2025 award.

The Lenovo 360 Nationals Partner of the Year award is the first of its kind for Lenovo, recognizing a single partner for excelling in all three areas of Lenovo's International Sales Organization business—Intelligent Device Group, Infrastructure Solutions Group, and Solutions and Services Group. Connection was selected for the award based on outstanding year-over-year growth, exceptional customer engagement, and close alignment on strategic planning.

Ryan McCurdy, Senior Vice President and President of North America, Lenovo said, "Connection went above and beyond to secure its place as Lenovo 360 Nationals Partner of the Year U.S. 2025. Year over year, the Connection team delivered an impressive 33% growth across Intelligent Device Group business and 44% growth for the Solutions and Services Group, closing one of the largest channel Device-as-a-Service (DaaS) opportunities in Lenovo history." Highlighting the close collaboration between the two companies, McCurdy continued, "That performance reflects a commitment across the entire organization—from frontline Sales all the way up to leadership—to align with Lenovo on strategic planning, training, and acquisition activities. The strength of those relationships and the team's focus on growth has set our partnership up for continued success. Congratulations to Connection for an outstanding year and a well-deserved Partner of the Year award."
