

Connection Earns Zebra Technologies' 2025 Partner of the Year Award

Company Recognized as Top Revenue Growth National Solutions Provider

MERRIMACK, N.H.--(BUSINESS WIRE)--Mar. 18, 2026-- Connection (PC Connection, Inc.; NASDAQ: [CNXXN](#)), a leading provider of information technology solutions to business, government, healthcare, and education markets, has been named Zebra Technologies' 2025 Partner of the Year — Top Revenue Growth National Solutions Provider (NSP), recognizing exceptional year-over-year revenue growth and outstanding performance in delivering Zebra solutions to customers.

The award honors an NSP that has demonstrated a strong ability to expand customer adoption, drive new business, and strengthen Zebra's market presence through effective sales execution, solution expertise, and meaningful customer impact. Connection was recognized for a continued focus on helping customers modernize operations, improve visibility, and increase efficiency using Zebra's industry-leading technologies. By combining deep solution expertise with a customer-first approach, Connection continues to deliver measurable results across key markets and use cases.

"Connection delivered an exceptional year of growth, and we're excited to build on that momentum in 2026," said Becky Gowan, Vice President, Channel, Territory & Supplies at Zebra Technologies. "Our continuing collaboration is helping customers navigate complexity, uncover new opportunities, and move their businesses forward. We appreciate Connection's commitment to excellence and their dedication to customer success."

"We are proud to be recognized by Zebra Technologies as its 2025 Partner of the Year for Top Revenue Growth," said Tim McGrath, President and CEO of Connection. "This award reflects the trust our customers place in us, the strength of our partnership with Zebra, and the dedication of our teams who help organizations deploy solutions that improve visibility, efficiency, and performance across their operations. We will continue to build on that trust and expand our capabilities to help customers reduce complexity and drive growth."
