Business Insider Names Connection One of America's Most Innovative Businesses

Connection Recognized for Innovation, Performance, and Technology Impact

MERRIMACK, N.H.--(BUSINESS WIRE)--Nov. 17, 2026-- Connection (PC Connection, Inc.; NASDAQ: CNXN), a leading provider of information technology solutions to business, government, healthcare, and education markets, is pleased to announce that it has been named one of America's Most Innovative Businesses by *Business Insider*.

Connection was named to *Business Insider's* 2027 list of the 500 most innovative businesses in the United States, developed in collaboration with Plant-A Insights Group. The recognition highlights organizations that demonstrate exceptional innovation, performance, technological impact, industry reputation, and investment in research and development.

"Innovation is at the heart of how we help our customers solve complex business challenges and embrace emerging technologies," said Tim McGrath, Chief Executive Officer of Connection. "Being recognized as one of America's Most Innovative Businesses reflects the dedication of our employees, the strength of our technology partnerships, and our ongoing commitment to helping customers transform, optimize, and grow through technology. We are honored by this recognition and excited to continue delivering innovative solutions that create meaningful business outcomes."

"Innovation is less about chasing the newest technology and more about building the capabilities, culture, and discipline to turn emerging technologies into outcomes our customers can rely on," said Jamal Khan, Chief Growth and Innovation Officer at Connection. "That culture is central to our strategy and how we create lasting value for customers."

For more than four decades, Connection has helped customers navigate technology evolution by combining deep expertise, strategic partnerships, and a customer-first approach. As organizations accelerate investments in cloud, cybersecurity, artificial intelligence, modern workplace solutions, and digital transformation, Connection continues to innovate to help customers maximize the value of their technology investments.

The research methodology and full list of America's Most Innovative Businesses 2027 are available on the Business Insider website.
