MERRIMACK, NH--MAY 1, 2000--PC Connection, Inc. (NASDAQ: PCCC), a leading direct marketer of business computing solutions, today announced that at its April 28, 2000 meeting, the Board of Directors approved a three-for-two common stock split to be effected in the form of a 50% stock dividend. The dividend of one additional share of common stock for every two shares currently held by stockholders will be distributed on or about May 23, 2000 to the stockholders of record as of the close of business on May 12, 2000.

Commenting on the stock split, Patricia Gallup, Chairman and Chief Executive Officer, said, "We believe PC Connection's expertise as a rapid-response provider of information technology products and solutions to the small-and medium-sized business market, positions us well for continued growth. The rise in our stock price over recent periods reflects the confidence of our stockholders, and the strong demand we continue to see for the products and services PC Connection offers."
